Read through Parking Rules & Regulations

Parking Office: 724.738.5785

SECTION 6. UNPAID FINES/ APPEALS AND DISCIPLINARY ACTION

ePermitting: Slippery Rock University now uses a license plate recognition system that no longer requires the registration of your license plate, meaning your license plate is now your decal. Parking citations and managing your parking information can be completed on our mobile-friendly app located at 102 University Union, Monday through Friday, 7:30 a.m. to 4 p.m. It is highly recommended to call the Parking Office at 724.738.5785 when registering your vehicle in the parking ePermit portal. Parking Alerts will provide you with a separate email from the University's Campus Alerts system. Citations will be emailed to you with a valid mailing address separate from the University's Campus Alerts system. Citations will be mailed to you with a valid mailing address by U.S. Postal Service.

A. All penalties, not paid or appealed within the required time limit, can be filed with the District Justice for prosecution. The defendant, if adjudicated guilty, will be required to pay fines and costs of prosecution. B. Appeals for parking violation tickets are to be completed online. An appeal must be made online within seven calendar days from the issuance of the ticket. C. Disciplinary action may result on campus for continued violations or failure to acknowledge notices of violation. Action regarding students will be processed through the SRU Student Conduct. Action regarding faculty/staff will be processed through the appropriate dean, director or vice president. D. A "hold" will be placed on a student's account for any unpaid balance. A hold will prevent a student from obtaining transcripts, registering and/or receiving a diploma. SECTION 7. REVISION OF RULES

A. SRU may revise rules governing the parking and traffic at the University, in accordance with the provisions of Section 7505 of the Pennsylvania Crimes Code, and upon due notice to the University community, via customary notices in campus bulletins, emails and newspapers. Such changes will be officially incorporated into the regulations. SECTION 8. RESPONSIBILITY OF THE UNIVERSITY

The University assumes no responsibility, nor is it liable for any damage done to vehicles when parked on the University campus.

SECTION 9. EFFECTIVE DATE

These rules shall take effect immediately.
