

Spring 2024 Final Examination/Special Class Schedule

April 30-May 04

All classes will meet at the times assigned below for a double class period OR a final examination. The decision to give a final examination remains with the individual professor; but if a final examination is to be given, it is expected it will be administered according to the accompanying schedule. NO FINAL EXAMINATIONS are to be administered prior to April 30. In addition, it is expected that the decision regarding the examination will be conveyed to students with other materials at the first or second class meeting. All grades are due by 3 p.m., Tuesday, May 07, 2024.

- Instructors of sections taught exclusively online who wish to give a non-timed final exam should select at least a minimum of 48 hours and up to the entire period of finals week (excluding Sunday) in which to make the exam available.
