2. Presidential Search Committee

a. The chairperson of the council shall form a committee, with the advice and consent of the council, to be known as the Presidential Search Committee.

b. Membership

(1) Three trustees, elected by the council;
(2) One executive from the university, selected by the council after consultation with those executives; the executive selected shall not report directly to the president;

(3) Two faculty members, one (and an alternate) selected by faculty election and one (and an alternate) selected by the faculty collective bargaining unit;

(4) Two non-instructional persons, one (and an alternate) selected by the leadership of the non-instructional bargaining units and one selected by the council.

(5) One student (not a trustee) selected by the student government and an alternate;

(6) One alumna/us (not a trustee) selected by the alumni association and an alternate;

(7) Up to three others within the university, including students, selected by the council to assure appropriate involvement by constituency, gender, race, generation, etc.; and

(8) One current or former president/chancellor from a comparable university, from a list designated by the chancellor (non-voting).

b. Confidentiality

Confidentiality in presidential searches is essential. Each member of the search committee must agree to maintain confidentiality. All applications and deliberations about individual applications shall remain wholly confidential, and the chair may at his or her sole discretion expel from the committee any member who violates professional standards or codes of confidentiality.

Results of criminal and credit background checks and degree verification information collected by the search consultant will be provided confidentially to the chair of the search committee and the staff liaison for candidates invited to interview at the university.
