Scott will join the Council as student trustee following official notification from the Governor’s Office. There were no additional public comments.

REPORT OF THE PRESIDENT

(Appendix A)

President Smith distributed the Report of the President to the Council and provided comments.
COMMITTEE REPORTS

University Advancement Committee

Mr. Robert Taylor, Esq., Chairperson for the University Advancement Committee provided the following report to the Council.

The Advancement Committee continues to provide assistance to the University Advancement office with the University’s financial and fundraising goals. Mr. Taylor reported that last year, 100% of Trustees were credited with providing support to the University. The committee established a $1000 goal for each Trustee to contribute annually, however, it is understood that Trustees will contribute according to their individual means. Mr. Taylor noted with the fiscal year ending June 30, it is the hope of the committee that all Trustees will again participate in this initiative in the coming year.

The Division of University Advancement reported gifts and pledges received from the following staff, faculty, former faculty members, and former staff members include:

- Dr. and Mrs. Robert M. Smith for the Jazz Band and sponsorship of the President’s Gala,
- Mr. Thomas McPherson for the McPherson Scholarship,
- Ms. Wilma Cavill for the Warner Film Institute,
- Dr. Elizabeth Curry estate for the Elizabeth Curry Scholarship,
- Ms. Jane Scott-Cleary for the Marjorie Stephens Scholarship,
- Dr. William Shiner for the Dr. Bill Shiner Scholarship, and
- Dr. Kathleen Kellinger for the James M. Kellinger and George W. Gault Memorial Nursing Scholarship.

In addition, key gifts were received from Mr. Stephen Medwid ’62 for the football program, and from Mr. Joseph Diorio for the Storm Harbor Equestrian Center.

As of April 30, 2006, The Campaign for Slippery Rock University gifts and pledges total $21.5 million, representing 65% of the $33 million Campaign goal. Gifts received for Fiscal Year 2005-2006 as of April 30th total $2,028,876.42. The System Accountability Performance indicators for University Advancement are total charitable giving less the top three gifts and the value of the endowment. As of April 30, the charitable giving total less the top three gifts is $1,457,870.64; and the value of the endowment as of April 30 is $18,198,428.73, a 7.94% increase over last year. The charitable endowment represents the combined totals of the Slippery Rock University Foundation, Inc. and Alumni Association endowments.

On May 30th, Ms. Kelli McKee joined the Advancement staff as the manager of prospect research. Ms. McKee was formerly employed by the University of Pittsburgh’s Office of Institutional Advancement.
Student Life Committee

President Smith, serving as Interim Vice President for Student Life, provided the report of the Student Life Committee in the absence of Mr. Thornburgh.

Two items are submitted for Council action: 1) Resolution to approve Slippery Rock University’s undertaking a System-financed capital facilities project to construct a new Student Union following the 4-1 referendum vote by the students in favor of the new construction; 2) revisions to the SRU Parking Policy.

A number of significant individual programmatic and divisional efforts were accomplished within the spring semester. Our students continue to be actively engaged citizens through peer mentoring, serving as student ambassadors, participating in the Freshmen Leader Scholar Program, student organizations, intramural sports, athletics and Greek Life, fundraising for philanthropic projects and participating in community events.

Two buildings of the first phase of the new residence suites will be opening in fall of ’06. Response by students has been positive. Preparation for the fall move-in is being made by the residence life staff.

External evaluations were completed by the Center for Student Involvement and Leadership, the Office for Intercultural Programs and the Office of Residence Life. A Food Services master plan was initiated to study the impact and necessary changes to the food service program as a result of the shifting of the residential population due to the newly constructed residence halls. An external review team visited to review the alcohol response processes and adherence to the CAS Standards.

President Smith also recognized Dr. Paula Olivero, Ms. Deb Pincek, and Dr. John Bonando for their combined efforts in leading the division during this transition period. Dr. Constance Foley will assume the role of Vice President for Student Life on July 3.

Finance & Audit Committee

Dr. Charles Curry, Vice President for Finance and Administrative Affairs provided the following report to the Council.

Items reviewed for Council action included: Contracts, Fixed Assets, Service and Supply Purchase Orders, and the Annual Inspection of Facilities report. As a result of increased vehicular and pedestrian traffic, a Resolution was presented to Council at the request of the Slippery Rock Township Board of Supervisors to permit an additional 8 ½ foot right-of-way from the Slippery Rock Borough – Slippery Rock Township line on Kiester Road to the Harmony Road intersection and an additional 15 foot right-of-way from the intersection of Kiester and Harmony Roads east to the end of the Slippery Rock University property. The Board also requested an additional 8 ½ foot right-of-way on
both sides of Harmony Road from the intersection of Kiester and Harmony Roads to the
intersection of Branchton and Harmony Roads. A Resolution was presented for Council
action to expand the Russell Wright Alumni House to add approximately 2,300 square
feet of space for a conference room and related support spaces.

Dr. Curry also reported that a new web-based travel process was implemented to
reduce travel costs. An occupancy permit is being pursued for the Advanced Technology
and Science Hall and the Vincent Science Hall renovation is under design. Fifty-seven
training programs have been conducted with a total of 219 employees participating.
Instituted a clerical hiring pool to streamline the process for filling clerical positions and
reduced advertising costs. Since the fall of 2005, Diversity efforts have yielded the
following: hired five regular managers, including four women (80%) and hired fifteen
tenure track faculty, four persons of color (26%) and nine females (60%).

Academic Affairs Committee

Dr. Robert Marcus, Chairperson for the Academic Affairs Committee, provided
the following overview from the report provided by Dr. William F. Williams,
Provost/Vice President for Academic Affairs.

Mary Del Brady, a 1972 Slippery Rock University graduate was commencement
speaker for the May 13 commencement ceremonies when the university awarded 1,050
diplomas, including 42 doctor of physical therapy degrees and 110 masters degrees.

During the last three months, Slippery Rock University had three significant
programmatic actions:

- The Theatre Department received accreditation from the National Association
  of the Schools of Theatre.
- Athletic Training received re-accreditation from The Commission on
  Accreditation of Allied Health Education Programs upon recommendation of
  the Joint Review Committee on Education Programs in Athletic Training.
- The Office of the Chancellor has approved moving the new stand-alone
  program in Criminology and Criminal Justice to the Board of Governors for
  final approval.

For the Fall Semester of 2006 applications from students seeking admission to
Slippery Rock University are well above last year’s level. We are building a cohort of
between 1450 and 1475 first year students at the same quality level of the 2005
cohort.

- The number of first year students in the top 25% of their graduating class is at
  30% up 1% from last year at this time.
- Transfer student deposits are the same as last year at this time with the goal of
  575-600 students.
African-American student deposits are up 28% compared to last year at this time.
Latino-American student deposits are the same as last year at this time.
Out-of-state student deposits are 14% ahead of last year at this time.

The increase in the number of applications for next year is attributable to the excitement being generated by the new student housing project and to our out-of-state tuition policy change that took effect last year.
