The Robert A. Macoskey Center for Sustainable Systems Education and Research at SRU invites you to their Earth Day Carnival on the Quad. Come celebrate Earth Day and learn about sustainability through a variety of games and activities. Earn prizes as you:

- Make your own Frisbee spin art (powered by photovoltaics!)
- $25 QS&L food coupons!
- Stainless Steel Water Bottle
- $25 AVI Fresh Coupon!

You gotta PLAY to WIN - the more games you play, the better your chances of winning!
