Great reasons to attend summer school at SRU:
- Boost your grade-point average
- Lighten your fall course load
- Study abroad; earn credits
- Summer internships
- More than 300 classes
- More than 200 classes online
- More than 100 graduate courses
- Pay 2016-17 tuition rates
- Undergraduate tuition for PA residents: $302/credit + fees

Five Sessions
- Pre-session ........May 17 - June 2
- Session I ..........June 5 - June 30
- Session II .............July 5 - Aug. 1
- Summer Term ......June 5 - Aug. 1
- Full Summer ......May 17 - Aug. 1

Credits you can earn:
- Pre-session: 6 credits in 12 days
- Sessions I, II: 7 credits in 4 weeks
- Summer Term: 12 credits in 8 weeks
- 18 undergraduate credits in 11 weeks
- 15 graduate credits in 11 weeks

**FOR FURTHER INFORMATION**

**AREA CODE 724**

---

**RESPECT FOR INDIVIDUALS IN THE COMMUNITY**

Slippery Rock University provides an environment that respects, encourages and promotes the talents and contributions of all. Slippery Rock University values a community with a shared sense of purpose, where people demonstrate mutual respect and appreciation. Slippery Rock University values diversity that honors and includes all persons regardless of age, creed, disability, ethnic heritage, gender, gender identity, race, religion, sexual orientation, or socioeconomic status in academic and extracurricular endeavor, in the working environment and in the daily life of the University community.
HOW TO USE MySRU TO REGISTER

MYSRU MAY BE USED TO REGISTER FOR SUMMER 2017 (201706) CLASSES ON OR AFTER APRIL 3, 2017

REGISTERING USING MYSRU

- Navigate to https://MySRU.sru.edu or look for the MySRU icon in the upper right-hand corner of the SRU home page.
- Log in using your SRU Network User Name and Password.
- If you have difficulty logging in, follow the instructions on the webpage or call our Help Desk at 724.738.4357.
- Click on the “Registration” tab.
- Click on the “Registration Status” link (Step 1) and the term/year to confirm your registration date, time and whether or not you have holds on your account.
- Under “Registration Tools,” click on the “Class Schedules” link to view course offerings.
- Under “Registration Steps,” click on the “Add/Drop Classes” link (Step 5) to register and select the appropriate term.
- Undergraduate, graduate and post-baccalaureate students are not required to use a Registration Personal ID Number (RPIN) to register for summer.
- To Add classes, enter your Class Reference Numbers (CRN) in the boxes at the bottom of the page and click the “Submit Changes” button.
- To Drop a class, click the pull-down arrow in the Action column next to the course you wish to drop and select the Drop Web option, then click the “Submit Changes” button.
- The undergraduate and graduate academic catalogs may be viewed at http://catalog.sru.edu
- To confirm the accuracy of your personal information open the “Banner Self Service” folder and then click on the “Registration” tab.

HELPFUL INSTRUCTIONS

- Newly admitted freshmen will not be permitted to register online their first semester of enrollment.
- Undergraduates only--Meet with your adviser to review your plan of study and complete a registration form/worksheet (see next page) before accessing the system.
- Do not access the system before your assigned registration date and time.
- Make sure you have your SRU Network User Name and Password when you register. You may use the worksheet on page 4 to make note of all the information you will need. Be sure to select a lot of alternative classes in case your first choice courses are filled.
- The system may NOT be used to:
  - register for courses in which the appropriate pre/corequisites have not been taken without a department issued permit.
  - withdraw (W) from courses.
  - register for excess hours.
  - select the “audit” or “P/NC” grading options (You may register for these classes, but will need to complete a grade option card available in the office of academic records or academic departments and have it processed in academic records without a department permit.)
  - register for closed courses without a department issued permit.
  - register for internships, independent studies, or individualized instruction.
  - register for courses you wish to repeat.
  - register for 500/600 level courses (undergraduates only).
  - register for graduate credit (undergrads and post-baccalaureates only).
  - drop your final course(s).
  - The system will be busiest at the beginning of each hour so; if you cannot access the system, wait 10-15 minutes before trying again.
  - The following offices can “hold” your registration:
    - Academic Records .......................... 724.738.2010
    - Admissions ................................. 724.738.2015
    - Multicultural Programs ................. 724.738.2700
    - Perkins Loan .................................. 724.738.2064
    - Accounting Services ..................... 724.738.2088
    - Student Conduct ........................... 724.738.4985
    - Parking ........................................ 724.738.4785
- If you have an obligation with any of these offices, please resolve the matter before your registration date.

You may view the SUMMER Master Class Schedule at https://MYSRU.SRU.edu OR http://www.sru.edu/mcs
**REGISTERING VIA THE WEB**

- Navigate to [https://MySRU.sru.edu](https://MySRU.sru.edu) or look for the MySRU icon in the upper right-hand corner of the SRU home page.
- Log in using your SRU network user name and password.
- If you have difficulty logging in, follow the instructions on the page or call our Help Desk at 724.738.4700.
- Click on the “Registration” tab.
- A Registration Personal ID Number (RPIN) is not required of any students to register in the summer.
- You may now add/drop class sections (Step 5) using the Course Reference Numbers (CRN).

**NOTE:**
1. Independent study and internships require written department approval PRIOR to registration and cannot be added online.
2. Students registering for summer will be billed in April with payment due by May

**HAVE YOU FOUND @sru?**

- Generate your undergraduate “My Rock Degree Audit”
- Register for classes
- View your grades
- Generate your student account and financial aid statement
- Generate your own enrollment certification letters
- Review and change your address, phone number and email address

**Summer 2017 (201706)**
IMPORTANT ACADEMIC INFORMATION SUMMER 2017

OPPORTUNITY, CONVENIENCE, ENVIRONMENT

Summer School at Slippery Rock University offers the opportunity to study in a relaxed environment. A reduced workload permits you to explore topics of interest more fully. Most importantly, whether you enroll in credit courses from our regular academic offerings, attend credit workshops designed to augment our curriculum or take advantage of the non-credit programming, you will be taught by a faculty member with a passion for teaching and concern for you - the student.

The Campus. Slippery Rock's rolling, tree-lined campus spreads across more than 600 acres, with woods, streams, ponds and wide-open spaces. Thirty major buildings, blending traditional and modern architecture, fill the core of the campus for an optimum living and learning environment. The University's Advanced Technology and Science Hall opened in 2006. Housing state-of-the-art classrooms, labs and a 350-seat lecture hall, this facility is equipped with the latest wireless technology. The modern Bailey Library ranks as one of the best in the state, among both public and private institutions with more than 700,000 catalogued items and a seating capacity of more than 800, including 250 individual study carrels. The School of Physical Therapy Building houses one of the best doctorate in physical therapy programs in western Pennsylvania and Swope Music Hall is designed as both a performing and a learning center. The recently renovated Vincent Science Center houses, in addition to laboratories and classrooms, a planetarium and greenhouse. One of the busiest institutional and recreational facilities on campus is the Aebersold Student Recreation Center (see page 9), which includes gymnasiums, a swimming pool, an indoor track, fitness center and climbing wall. Besides standard classroom buildings, the University has modern computer facilities, a television studio, a radio station, two state-owned residence halls, one apartment complex and six privately-owned residential suite buildings, seven auditoriums, 12 tennis courts of which six are lighted, three major athletic fields and nine auxiliary fields, a 9,000 seat stadium and two dining halls. The Smith Student Center opened in Summer 2012 and is the campus hub with a bookstore, grille, recreation areas and meeting rooms.

Location. Set in western Pennsylvania, the University is easily accessible. Pittsburgh is an hour drive south, Erie is 75 miles north and Youngstown, Ohio, is just 35 miles due west. Two major interstate highways, I-79 and I-80, intersect within 10 miles of the University.

ADMISSION

Current Students - An undergraduate or a graduate student enrolled at Slippery Rock University during spring semester of 2017 may register without submitting the Preliminary Application to Attend Summer School on page 18.

Former Students - An undergraduate student who did not attend Slippery Rock University during spring semester of 2017 or a graduate student who has not been in attendance during the past three semesters must submit a request for readmission to the director of Retention Services (undergraduates) or the director of Graduate Admissions (graduate students).

Transient Students - A student enrolled at another college or university who wishes to attend SRU this summer and has plans to return to his/her home institution must submit the Preliminary Application to Attend Summer School. This form is found on page 18 and should be submitted to the Office of Academic Records.

*New Students (undergraduate and graduate) - A person who has never attended Slippery Rock University may obtain an application for admission by sending the Preliminary Application to Attend Summer School found on page 18 to the Office of Academic Records or by directly contacting the undergraduate or graduate admissions office.

*Post-Baccalaureate Students - A person who has already obtained a bachelor's degree and wishes to pursue another undergraduate degree or just wishes to take a few undergraduate classes for personal enrichment may obtain an application for admission by sending the Preliminary Application to Attend Summer School found on page 18 to the office of academic records or by contacting the office of undergraduate admission at 1.800.929.4778.

SUMMER OFFICE HOURS

All University offices will be open during the summer from 8 a.m. to 4 p.m., Monday through Friday. The University will be closed May 29 and July 4.

REGISTRATION AND PAYMENT PROCEDURES FOR SUMMER 2017

Registration for all summer session classes will begin April 3, 2017. Some very important changes have been made in registering procedures. Please read the following information carefully.

Students wishing to register for summer courses may do so without registering for fall courses. While not required to do so, students are urged to get their advisers' signatures on their summer registration forms.

An initial summer school billing will be uploaded to students’ MySRU in April, with a May 2017, due-date. Additional account statements will be updated on MySRU after the drop/add period for each summer session, with a due date identified on each eBill. As in previous years, students may obtain a registration form from the office of academic records, room 107 Old Main. MySRU will also be available for use in scheduling summer classes. Once the drop/add period for a session has ended, students will no longer be able to schedule for that session via MySRU and must go to the Office of Academic Records.

The University will not cancel summer classes for nonpayment. Students are responsible for dropping from any/all courses they decide not to attend. Students may not drop their last class using MySRU. To do so, they must contact the office of academic records at 724.738.2010. Students must follow University procedures in withdrawing from courses or will be responsible for payment of tuition and fees for those courses. H olds will be placed on students not paying for summer courses and they will not be able to register for subsequent semesters until the balance is paid.

Undergraduate students may register for summer classes on or after the date and time appearing on MySRU in March. Summer registration may be completed by using MySRU or by calling the office of academic records. Students who wish to take a course on an optional Pass - No Credit basis should contact the office of academic records. Slippery Rock University students repeating a course previously taken must also register through the office of academic records.

Graduate and post-baccalaureate students may register for summer on April 3, 2017, or thereafter. Graduate students enrolled as recently as spring 2016, will receive information for registering via their SRU email account.

Special and Transient students may register for summer April 17, 2017, and thereafter. Special and transient registration for fall will not occur until July 5, 2017.

CLASSES BEG IN ON THE FIRST DAY OF EACH SESSION. Registration must be completed before the drop/add deadline of each session.
GRADE APPEAL POLICY
To review the current policy on the Web:
- Go to: http://www.sru.edu
- Click: Offices (Bottom of page)
- Click: Policies, Regulations and Catalogs
- Click: Final Grade Appeal Policy and Procedure

PASSHE COMMONALITY COURSE
REPEAT POLICY

UNDERGRADUATE STUDENTS
Effective January 2010, undergraduates will be limited to a maximum total of six repeats during their entire SRU academic career.
In addition, repeats of a single course will be limited to a maximum of two. No single course may be taken more than three times.
The most recent grade (regardless of whether it is higher or lower) will be the grade used in the student's GPA calculation.

GRADUATE STUDENTS
Effective January 2010, graduate students may repeat a single course only once.
In addition, graduate students will be limited to a maximum of two during their entire graduate career.
The most recent grade (regardless of whether it is higher or lower) will be the grade used in the student's GPA calculation.

POST-BACCALAUREATE STUDENTS
The course repeat policy for post-baccalaureate students is the same for undergraduate students.

SCHEDULE OF LIMITATIONS
The University reserves the right to cancel courses and workshops.
Courses: • 100-499 Undergraduate and post-baccalaureate students
• 500-599 juniors and seniors with 2.5 GPAs and their dean’s permission and all post-baccalaureate and Graduate Students
• 600-UP Graduate students only

Maximum Semester Hours
Pre-Session ................................................................. 6
Session I ................................................................. 7
Session II .............................................................. 7
Summer Term ............................................................ 12
Post Session .......................................................... 12
Full Summer ............................................................ 12
Pre-Session, Full Summer, Session I ............ 18 (for undergraduates)
Session II, Post Session, Summer Term ...... 15 (for graduate students)

GRADUATION
There is no Commencement ceremony during summer and there is only one graduation date (August 1) regardless of when students complete their coursework.

GRADUATING STUDENTS - PLEASE NOTE
Attention students graduating in summer 2017, December 2017 or May 2018:
You can now apply for graduation in MySRU.
- Once you’re logged in, click on “Student Self-Service” tab
- In the “Banner Self-Service” channel, click “Student”
- Then click “Student Records”
- And finally click “Apply to Graduate”
- Simply follow the instructions from there, and there is no diploma fee!

- Deadline for summer 2017 graduation application is June 15, 2017.
- Deadline for December 2017 graduation is October 1, 2017.
- Deadline for May 2018 graduation application is March 1, 2018.

Students graduating after winter session (January 2018) must apply using a paper “Graduation and Diploma Application”, which may be found on the academic records website.

Students enrolled in Summer Internships, Student Teaching or other coursework are summer graduates! You may choose to “walk through” the May 2017 Commencement ceremony. Watch the SRU website for information on May Commencement.

Students enrolled in Summer Internships must complete all requirements before September 30, 2017, to still be considered summer 2017 graduates.

GRADUATION DEADLINE
AND REQUIREMENTS
Students must apply for graduation and complete all graduation requirements by Aug. 1 or they will not be permitted to graduate in Summer and will, instead, be graduated at the end of the semester/term their course work and/or application is/are eventually completed.

This means seniors receiving incomplete grades in any course (except some internships) or “X” symbols in required courses will graduate at the end of the semester in which their grades are changed.

GRADE REPORTS AND TRANSCRIPTS

Report cards are not mailed to students. However, students may receive their grades by accessing MySRU at https://mysru.sru.edu approximately five working days after the end of each summer session. Transcripts of grades are available at the end of each session and are sent only at the written request of the student. No Deans’ List is published during the summer. There is no charge for regularly processed transcripts (typically 42-78 hour turn-around). “Same Day” transcripts cost $10. Transcripts may also be sent via email for free. There is a limit of 5 transcripts per student per day.

Transcript requests will not be processed for students having financial or other obligations to the University.

FINANCIAL AID

Financial aid may be available to eligible students for summer study at SRU. Eligible students must complete the appropriate application process.

Detailed information about the types of aid available for summer study and the application process is available on the SRU Financial Aid Office Web pages at sru.edu/finaid, then click on “Apply For Aid” then “Summer Aid.”

VA Benefits - A VA enrollment email will be sent in April to those students currently receiving VA benefits. Forms must be completed and returned in order to be certified for summer GI Bill benefits. New or transfer students (and students seeking veterans benefits for the first time at SRU) should review the VA application procedures as well as details about programs, processes and time lines on SRU’s Veterans Affairs Web page: sru.edu/veterans or by calling the Veterans Benefits Coordinator Office at 724.738.2184. The Department of Veterans Affairs may take eight to 12 weeks to process enrollment information.

Graduate Assistantships - Information on graduate assistantships may be obtained through the office of graduate admissions in North Hall or on its website: http://www.sru.edu/graduate.

OTHER INFORMATION:
To be eligible for federal financial aid, a student must be maintaining satisfactory academic progress. Refer to the Satisfactory Academic Progress Policy available on the Financial Aid website at: sru.edu/finaid (click “Satisfactory Academic Progress”).

PAYMENT FOR SUMMER SESSIONS
Stafford Loans or other approved aid may be deferred from your summer billing. If your Federal Direct Loan or other financial aid has not been finalized, you may be required to pay for your classes at the time you register.
SENIOR CITIZENS

Senior citizens (persons at least 62 years of age who are receiving Social Security or equivalent retirement benefits) may audit courses/workshops for free at Slippery Rock University on a space available basis. Senior citizens (who are no longer working) and are either ineligible for or not seeking Social Security or equivalent retirement benefits may also be eligible to participate in this program. No tests are required and no credit will be awarded; the knowledge gained is the reward.

In those classes where students must purchase textbooks or special supplies, the senior citizen auditing the course will not be obligated to meet those expenses. Senior citizens may not register for summer classes until one week prior to the summer session they wish to attend (see calendar page 13). Senior citizen applications are available from the office of academic records, Room 107, Old Main.

Senior citizens opting to take courses for credit will have their tuition waived, but must pay all fees in addition to the cost of books and supplies.

STUDENT HEALTH SERVICES

During summer, health care is available at the McLachlan Student Health Center located in Rhoads Hall, Monday through Friday, 8 a.m. to 4 p.m. Services are confidential and include nursing evaluation, medical care and referral, allergy injections, birth control and health teaching. www.sru.edu/offices/student-health-services

INSURANCE

All students are encouraged to be covered by health and accident insurance. While it is not mandatory to carry insurance, it is advisable. (Note: International students are required to carry health insurance and must make acceptable arrangements with the Office of Global Engagement. Athletes must meet requirements as defined by the athletics office.) Students may already have benefits through their family plan, an independent source, or elect to purchase health insurance. Information regarding the purchase of health insurance can be obtained by visiting the student health center or online at www.sru.edu/offices/student-health-services. Insurance information should be included on the Health Forms submitted to student health services as part of the student’s record using the secure website at https://studenthealthportal.sru.edu.

COUNSELING CENTER

The Student Counseling Center, located in Rhoads Hall, offers psychological, adjustment and developmental counseling and referral services to registered students. For assistance and appointments call 724.738.2034. Students are also encouraged to visit the Student Counseling Center’s website at: http://www.sru.edu/life-at-sru/health-and-wellness/counseling-center

TUITION AND FEES

All fees are subject to change without notice. Instructional Fee, Student Community Building Fee, General Service Fee, Health Service Fee and Academic Enhancement Fee: Payable to Slippery Rock University.

PA RESIDENT TUITION

Undergraduate and Post-baccalaureate .......................................................... $302/credit

$19/credit ........................................ $29/credit
Technology Fee (graduate) ............................................................................... In-state ........ Out-of-state
$26/credit ........................................ $38/credit

WITHDRAWAL/REFUND

1. WITHDRAWAL ON OR BEFORE THE FIRST DAY OF CLASS:

A student may obtain a full refund if the registration is officially cancelled on or before the first day of class.

2. WITHDRAWAL AFTER THE FIRST DAY OF CLASS:

A. Refunds will be processed according to the schedule listed below only if the student is withdrawing from the entire session.

<table>

</tbody>
</table>

Internship and student teaching refunds will be calculated on an individual basis. The experience’s start date, scheduled length of the experience and the date of withdrawal from the experience will determine the refund percentage.

After the above cut-offs, no basic tuition or fees will be refunded. Refund of residence hall rent will be based on the dates and percentages listed above. The Student Community Building Fee is not refundable after the first day of class. Technology fee is non-refundable.

Return of Title IV Funds (Federal Aid)

The federal government requires SRU to return Financial Aid (Title IV) money to the Title IV programs for any student withdrawing through 60 percent of the session. Students withdrawing Title IV Aid may owe the University a balance once the aid is returned. Title IV Aid must be returned to the Title IV program before any refund can be returned to a student.

3. OFFICIAL WITHDRAWAL DEFINED

For a student to be considered officially withdrawn, he/she must process forms from the following offices.

A. OFFICE OF ACADEMIC RECORDS - for students withdrawing from summer sessions and workshops.

This entire refund policy is subject to change without notice.

EQUITY IN ATHLETICS DISCLOSURE ACT

As set forth by the U.S. Department of Education, a report containing information outlined by the Equity in Athletics Disclosure Act is available after Oct. 31 of each year. This information may be found on the University’s website at www.rockathletics.com. Under the “Inside Athletics” menu select “EADA Report” for the most current reports.

EARNING TWO DEGREES OR TWO MAJORS POLICY

Effective May 2009, the Board of Governors of the Pennsylvania State System of Higher Education set minimum standards for students wishing to earn two different UNDERGRADUATE DEGREES at a single commencement ceremony. Prior to May 2009, Slippery Rock University permitted students to earn only two MAJORS, not two DEGREES.

To earn two different Baccalaureate degrees at the same commencement ceremony students must complete a minimum of 150 credits and all the academic requirements of both degrees.
**Additional Clarification**

- Students may not earn two identical degrees (BS and BS) regardless of the number of credits earned.
- Students wishing to earn a Bachelor of Arts degree, whether it is associated with their first or second major, must complete the University’s modern language proficiency requirement at or above the 103 level.
- Students earning two different degrees (BS and BA) will be awarded two diplomas. Students earning two degrees will only have to pay one graduation and diploma fee.
- Students may still earn two majors and one degree. To earn two majors, students must complete at least 120 credits and all the academic requirements of both majors. This means students selecting a second major that is offered in association with a Bachelor of Arts degree will NOT have to complete the University’s modern language requirement. See **Second Baccalaureate Degree** section of the undergraduate academic catalog.
- Students wishing to earn a second baccalaureate degree after graduating should refer to the **Second Baccalaureate Degree** section of the Undergraduate Academic Catalog.

**FULL-TIME STATUS**

Undergraduates must be enrolled for at least 12 semester hours (excluding “W” grades) to be considered full-time. Graduate students must be enrolled for at least nine (9) semester hours.

**CAREER EDUCATION AND DEVELOPMENT**

The Office of Career Education and Development, located in Bailey Library, offers services that are valuable to all students, freshmen through seniors. Services that are particularly helpful to freshmen and underclassmen include: individualized counseling in choosing a college major and career direction; self-assessment inventories that help students identify their abilities, interests, values and how they relate to careers; assistance in resume writing, interview skills and job search techniques; a comprehensive website with useful tools for career preparation and job location. The Career Education and Development website can be found at: [www.sru.edu/career](http://www.sru.edu/career).

Summer hours for these facilities are 8 a.m. to 4 p.m., Monday-Friday. Fall hours are 8 a.m. to 4:30 p.m., Monday-Friday. Evening hours are determined each semester.

**LIBRARY**

Bailey Library supports the mission of Slippery Rock University by developing collections and services that make the Library integral to the learning process, both within and beyond the classroom. The University has committed to an ongoing, multi-phased, renovation of Bailey Library to enhance the facility and better serve the needs of the 21st century academic student.

To succeed in its mission the Library and its dedicated faculty and staff provide:

- A full range of resources and services supporting classroom instruction and distance education;
- Personal Librarians who offer individualized research assistance, maintain subject collections in areas of expertise, contribute specialized online resource guides, provide collaborative classroom instruction for courses in every major at the University, and assist with reference inquiries in the Research Services area and one-on-one in their offices;
- Holdings which include print and electronic books, government documents, print and electronic journals, newspapers, DVDs, audio books, archival records and special collections;
- Recently updated formal and informal study areas for scholarly work and recreational reading;
- Interlibrary loan and document delivery services providing quick access to content that is not directly available through the Library’s own collections and databases;
- Over 300 public access computers, including over 100 laptops that can be checked out for use anywhere in the building on the library’s wireless network;
- The Technology Learning Center (TLC) offering students peer-to-peer assistance with technology issues encountered while completing assignments or while creating content in various software applications;
- A newly-renovated Instructional Materials Center (IMC) providing Education students with textbooks and audiovisual materials needed to teach in elementary or secondary school classrooms, as well as films and audio recordings for all members of the University community;
- A newly-renovated University Archives, containing collections and records of enduring research and historical value created by the University community;
- A newly-renovated Special Collections Room, providing students with hands-on access to rare books and collections related to Pennsylvania history, Japan, local authors, and much more;
- Electronic resources accessible from anywhere on the University network and from off-campus with appropriate network authentication;
- T&B Naturally, a popular café that offers organic pastries, smoothies, specialty coffee drinks, juices, bagel sandwiches, and other snacks items.

The Library’s collection is constantly evolving to stay current with the academic demands of 21st century researchers. Library hours and additional information are available at [http://www.sru.edu/academics/bailey-library](http://www.sru.edu/academics/bailey-library) or by calling 724.738.2631.

**RESIDENCE LIFE AND FOOD SERVICES**

All freshmen are required to live on campus the first academic year of their college life. The first year of living on campus will help in adjustment to college living-learning experiences and help develop an adult value system. Detailed housing information and regulations may be obtained from the Office of Housing and Residence Life Office in 105 Watson Hall.

New freshmen accepted for the 2017 summer term desiring on-campus housing for the summer session(s) should contact the Housing and Residence Life Office. Current, graduate, transfers and readmit students desiring on-campus housing for the summer session(s) may do so by logging on to their MyHousing page and registering for summer housing.

Room, flex funds, tuition and fees will be billed to the student’s home address. Payment should be made by the billing due date.

For students enrolled in summer credit courses:

**Food Services:**

Students contracting for summer housing will reside in the R.O.G.K. Apartments. There is no required meal plan. **Students may contract for a Summer Flex Fund, minimum deposit of $25.** Students will have access to the Summer Flex Fund from May 17 through Aug. 1, 2017. **Unused summer flex funds will not carry into the Fall 2017 Semester. Any unused flex funds will be forfeited.**

Students will have access to various food service facilities during the summer. Boozel Dining Hall will open beginning with breakfast on May 17, 2017. Starbucks and Quaker Steak and Lube in the Robert M. Smith Student Center will be open. Operating hours will be posted at the various facilities and on the Dining Services website.

You may contract online for a **Summer Flex Fund** through any of the following pages: Dining Services, Residence Life and MySRU.

**SUMMER HOUSING RATES:**

**BREAK:** May 13 – May 16, $30.75
House Council Fee: Not Applicable

**PRE-SESSION:** May 17 – June 2, $175
House Council Fee: $5
Check In: May 16, 12 - 4 p.m.

**SESSION I:** June 5 - June 30, $267
House Council Fee: $8
Check In: June 4, 12 - 4 p.m.

**SESSION II:** July 5 – Aug. 1, $287
House Council Fee: $8,
Check In: July 3*, 12 - 4 p.m.
*As a University holiday, there will be NO ARRIVALS on July 4th. Student who cannot arrive on July 3 will check in on July 5.

**SUMMER TERM:** June 5 – Aug. 1, $595
House Council Fee: $15
Check In: June 4, 12 - 4 p.m.

**FULL SUMMER (PRE-SESSION AND SUMMER):** May 17 – Aug. 1, $790
House Council Fee: $20
Check In: May 16, 12 - 4 p.m.
Lunch .....................................................$6.45*
Saturday and Sunday Brunch .................$6.45*
Dinner ....................................................$7.55*

or call 724.738.4926
and Lube, and Rocky’s Food Court. (summer hours are limited)

Residence hall students who attend two consecutive summer sessions and
who elect to stay in the residence hall over the weekend between the two
sessions may do so at no additional charge for the residence hall.

Rates are subject to change without notice.

For students enrolled in workshops: Those desiring to live on campus or to
buy a meal plan may obtain rates by contacting the Office of Student Accounts
724.738.2088.

Dining rates for individual meals purchased at Boozel Dining Hall are
tentatively set as follows:

Breakfast ...............................................$5.20*
Lunch ..................................................$6.45*
Dinner ...................................................$7.55*
Saturday and Sunday Brunch .................$6.45*

*Prices are subject to change without notice.

BOOKSTORE HOURS AND POLICY

Regular Hours: May 8 – Aug. 11, 2017
8 a.m. – 4:30 p.m., Monday -Thursday
8 a.m. – 4 p.m., Friday
Closed Saturdays and Sundays;
Monday, May 29, July 4 (Holiday), Saturday, July 1 (Inventory)

Hours are subject to change.
The Bookstore is located in the Smith Student Center.

Refunds and exchanges will be made for textbooks up to three days after
a class begins with receipt only.
Checks may be cashed for up to $50 per day with University I.D. for a $0.50
fee.

If you have any questions concerning the availability of books for summer
school, call 724.738.4774.

COMPUTER COMPETENCY REQUIREMENT

The goal of the Computer Competency Requirement is to determine if
students have the necessary foundation to develop the skills needed to
effectively use computers and technology to succeed in an information-
based society. The topics on which students will be tested are computer
hardware, system software, application software, the Web, networks and
security and privacy. We believe that students need to have a minimum level
of competence to achieve the greatest success during their academic career.
Students can demonstrate computer competency by either passing the
Computer Competency Exam or passing a one credit CpSc100 “Introduction
to Computing for Liberal Arts” course or any of the following three-credit
Systems” or PE202 “Technology for Physical Education Teacher Education”.

STUDENT CENTER AND STUDENT ACTIVITIES

Summer session students are encouraged to utilize the Robert M. Smith
Student Center. Its facilities include lounges, meeting rooms, wireless
computing, and a commuter pantry with lockers.

The following offices and services are housed in the Student Center: Student
Involvement and Leadership, Multicultural Development, Women’s Center,
Student Government, Cooperative Activities, Student Life Administration
(meal plan contracts), SGA Bookstore, PNC Bank, and the ETC Electronic
Technology Center. Food service outlets include Starbucks, Quaker Steak
and Lube, and Rocky’s Food Court. (summer hours are limited)

For information or assistance, stop by the Student Center Information Desk
or call 724.738.4926

CAMPUS RECREATION

The Office of Campus Recreation is responsible for the programming
and operation of the Aebersold Student Recreation Center (nicknamed the
ARC), McFarland Recreational Sports Complex (the MAC), Ski Lodge, and
campground. The programs and facilities have been designed to promote
positive physical, mental and spiritual health.

Campus Recreation offers a variety of lifetime sports and fitness programs
that provide exciting opportunities to “Rock’n Recreate.” Within each of the
program areas there are Perk Programs which are provided free of charge to
SRU students and ARC Members, and Pay to Play Programs. Program areas consist of:

• Aquatics: Primary programs offered include swim instructions, arthritic
stretch, aquatic group exercise classes and water polo.
• Climbing Wall: Program offerings include informal recreational
climbing and bouldering and intramural events and extramural climbing
competitions.
• Group Exercise: Classes are Free to all SRU students and ARC Members.
These classes are designed to improve cardiovascular health and body
composition. Contemporary aquatic land and spinning classes are conducted
by nationally certified instructors throughout the calendar year.
• Informal Recreation: Unstructured recreation at one’s own convenience
and leisure are available in each area of the ARC providing opportunities for
pickup games of basketball, volleyball, soccer, deck hockey, pickleball or
badminton as well as lap swimming, running/walking on the indoor track,
fitness workouts or scaling the ROCK wall.
• Intramural Sports: Intramural Sports provide a variety of team,
individual and dual sports and skill levels of competition throughout the
academic year. Participants organize their own teams and compete for
the coveted Intramural Championship mugs and t-shirts. In addition,
intramural sports participation affords a fine opportunity to develop the
essential qualities of leadership, cooperation, self-reliance, and sense of
fair play and to form warm friendships that will endure throughout the
years. Each and every SRU student is invited to participate in as many
activities as he/she desires.
• Open Kayak sessions: Sessions are offered FREE to students throughout
the academic year in the ARC’s Aquatic Center. The program offers the
opportunity to practice essential kayak paddling strokes and maneuvers.
No previous experience is necessary to enjoy this opportunity.
Instructors are available for limited instruction. Campus Recreation
provides all equipment, although personal kayaks can be used.
• Outdoor Adventures: This program is designed to provide outdoor
recreation services and educational experiences to the Slippery Rock
University campus and community. The Outdoor Program trips and
clinics offer opportunities to increase outdoor recreation skills, leadership
development and environmental awareness.
• Russell Wright Fitness Center (RWFC) Programs: A number of
fitness programs are offered to assist all students and ARC members
in enhancing their exercise programs and improving their fitness levels
as well as a more proficient use of the fitness center. Included in these
offerings are fitness assessments, equipment orientations, personal
training, cross training classes, Rock Personal Training and Wright
personal training.
• Safety Certifications: American Red Cross Safety Certification programs
are offered throughout the year. Class offerings include life guarding, CPR,
AED, first aid and opportunities for recertification.
• Club Sports: These clubs provide opportunities for students with similar
interests to participate in various sport and recreational activities. Club
Sports bridge the gap between intramural and intercollegiate athletics by
providing competition at specialized levels, participation in tournaments and
opportunities to practice. New clubs can follow the procedure to become a
recognized Slippery Rock University organization registering with the Center
for Student Leadership, located in the Smith Student Center.

An overview of campus recreation facilities:

Aebersold Student Recreation Center: The ARC is entirely handicap
accessible and is an 82,000 square foot, state of the art recreation facility
that includes an aquatic center, 44-foot climbing wall, indoor track, five
multipurpose sport courts, Rock Pride Mezzanine (RPM) multipurpose
room, Fitness Mezzanine, locker rooms, all gender changing rooms and
a vending and TV lounge areas. The ARC’s Russell Wright Fitness Center
(RWFC) is equipped with cardiovascular, free weight and selectorized
equipment as well as a fitness lab. Students have unlimited access of the
facility during open hours when they present their SRU ID at the Welcome
Center. ARC Memberships are available to faculty/staff, alumni and the
general public.
McFarland Recreational Sports Complex: The “MAC” is the home to intramural and club sports as well as informal recreation. The facility offers two softball fields, four multipurpose sports fields, a rugby field, hockey rink/basketball courts, and an exercise pathway. All components of the “MAC” are lighted with the exception of the Rugby field and hockey rink/basketball courts. Reservation requests for field use must be submitted to Campus Recreation at 724.738.4800

Ski Lodge and Campground: Located a quarter mile northeast of the ARC (next to the ROCK Apartments) the Ski Lodge offers a variety of opportunities for students to gather on campus. Shower and restroom facilities are available inside the lodge. The Campground, located adjacent to the ski lodge, offers both primitive and electrical campsites. Ski Lodge and campground reservations can be made by contacting Campus Recreation at 724.738.4800.

SRU/SGA Preschool and Child Care Center
The Center is a not-for-profit organization, administered by the Student Government Association that provides licensed preschool and childcare services to SRU students, faculty, staff and the community since 1978. Our program is nationally accredited and provides educational and recreational summer activities for children ages three through twelve. Activities include games, crafts, learning centers, swimming, field trips, sports, and much more! The Center is open year round Monday-Friday from 7 a.m. to 6 p.m. For SRU students, grant funding is available that may help pay all or part of their child care expenses. Please call us at 724.738.2102 or visit the Center (007 McKay Education Building) for more information.

Student Code of Conduct
Slippery Rock University is an academic community given meaning through the mutual respect and trust of the individuals who learn, teach, and work within it. Students of Slippery Rock University are entitled to certain rights and privileges which must be protected through fair and orderly processes and which are best safeguarded when each student acts in an orderly and responsible manner. All students of the University community are equally entitled to the protection of the Student Code of Conduct.

Information on the Student Code of Conduct, volunteer opportunities, hearing procedures and appeals, disciplinary records and release of information may be obtained in the Office of Student Conduct, Room 008, Patterson Hall or the Student Code of Conduct may be read at: http://www.sru.edu/offices/student-conduct/code-of-conduct. Students are responsible for their actions as outlined in the Student Code of Conduct. Therefore, you are strongly encouraged to read the Student Code of Conduct as soon as possible. For more information please contact 724.738.4985.

Email messages sent from OSC to students through SRU-assigned email addresses will constitute an official means of communication. Correspondence involving conduct incidents may also come from the Office of Residence Life. It is the student’s responsibility and obligation to access and respond to official University correspondence through the student’s SRU email.

Parking
All members of the University community operating and parking a vehicle on University property must display a valid University Vehicle Registration Permit. All student parking is available online. Purchasing SRU student annual permits, making appeals, paying parking tickets and managing your parking information can be completed at the parking website. The University parking office is located in Room 102 of the University Union. Hours are from 7:30 a.m. to 4 p.m., Monday through Friday. The office may be contacted by calling 724.738.4785.

Freshman Cohort Graduation Rate Disclosure
In compliance with the Student Right to Know Act, 68 percent of all full-time, first-time, degree-seeking undergraduate students entering SRU the summer/fall of 2010 graduated within six years.

Notice of Consumer Information
In accordance with the provisions of the Student Right to Know and Clery Acts, students are urged to access SRU’s Consumer Information website: http://www.sru.edu/students/student-consumer-information. (Including campus crime statistics, graduation rates and Students Rights to Privacy information.)

Notice Designating Directory Information
Slippery Rock University hereby designates the following student information as “Directory Information.” Such information may be disclosed without a student’s previous consent by the institution for any purpose, at its discretion.

1. Name
2. Addresses (local, permanent and email)
3. Telephone number (local, cell, and permanent)
4. Date and place of birth
5. Program and concentration(s) and minor(s)
6. Student activities, including athletics
7. Weight, height (athletic teams)
8. Dates of attendance
9. Degrees and awards received
10. Date of graduation
11. All educational institutions previously attended
12. Academic awards/scholarships
13. Title of master thesis
14. Number of credits (full-or-part-time) for which a student is registered
15. Pictures of students (for University use in publications, press releases and advertisements)
16. Class level
17. Anticipated graduation date
18. Student ID number used to communicate in electronic systems that cannot be used to access education records without a PIN, passwords, etc

Currently enrolled students have the opportunity to withhold disclosure of all 18 categories of information under the Family Educational Rights and Privacy Act of 1974. The University will not partially withhold this information, so students are advised to think carefully before withholding disclosure. To withhold disclosures, written notification must be received in the Office of Academic Records, Slippery Rock University, Slippery Rock, PA 16057 prior to the end of the second week of each semester/summer session. Forms requesting the withholding of directory information are available in the Office of Academic Records, Room 107, Old Main.

Slippery Rock University assumes that failure on the part of any student to specifically request the withholding of directory information indicates individual approval for disclosures.

The University also limits its release of Directory Information for official University purposes only. Slippery Rock will not release Directory Information for solicitation purposes to parties from outside the University. This includes outside vendors, businesses and organizations unless the University has entered into a contract or agreement with organization to supply specific service to the University or its students that requires the use of this information. The Executive Director of Academic Records, Summer and Graduate Studies also carefully screens the release of Directory Information to parties within the University to assure that its students only receive correspondence related to the academic and social mission of the institution.

Former students and alumni are not covered under the Family Educational Rights and Privacy Act of 1974. As such, the University is not obligated to honor requests for non-disclosure of directory information from former students.

Note: Students requesting directory information not be disclosed during their final semester of enrollment will have this information withheld indefinitely after leaving the University. Students are cautioned that making such a request may adversely impact future requests from potential employers and other important individuals/organizations.
The Family Educational Rights and Privacy Act affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.
   - Students should submit to the executive director of academic records, summer school and graduate studies, dean, department chairperson, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the requests were submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.
   - Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading.
   - If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request or amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
   - One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Council of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
   - A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
   - Upon request, the University may disclose education records without consent to officials of another school in which a student seeks or intends to enroll, or where the student is already enrolled so long as the disclosure is for purposes related to the student’s enrollment or transfer.

4. As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records—including your Social Security Number, grades, or other private information—may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Slippery Rock University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

   - Family Policy Compliance Office
   - U.S. Department of Education
   - 400 Maryland Ave., SW
   - Washington, D.C. 20202-5920

Copies of the University’s policy governing the Family Educational Rights and Privacy Act are available in the office of academic records, Room 107, Old Main. Questions concerning FERPA should be referred to the director of academic records.

**DEGREE AUDIT REPORTS NOW AVAILABLE FOR UNDERGRADUATE STUDENTS**

Degree audits are available by accessing MySRU. Click on “Banner Self Service,” then click the “Student” folder, then click “Rock Audit.”

Students are strongly urged to carefully review their audits for possible errors and to discuss their progress toward degree requirements with their advisers when they meet for registration purposes.

Questions concerning the accuracy of degree audits should be directed to the student’s adviser. If problems still persist or further clarification is needed, contact the advisement center, 106 Bailey Library; or the office of academic records, Room 107, Old Main.

**POLICIES GOVERNING AWARDING OF LATIN HONORS**

Only undergraduates who are working on their first baccalaureate degree will qualify to receive Latin Honors. Post-Baccalaureate and graduate students are not eligible for Latin Honors.

Undergraduate students must complete at least 60 credits in residence at SRU and must have at least a 3.500 cumulative GPA to be eligible for Latin Honors. There is no dean’s list in the summer or winter.

Please refer to the University’s undergraduate catalog for more information on Latin Honors.

**UNDERGRADUATE BASIC REQUIREMENT COURSES ARE:**

- **ACSD 110** Beginning Algebra*
- **COMM 200** Public Speaking
- **ENGL 102** Critical Writing
- **ENGL 104** Critical Reading
- **ENGL 220** Intro to Literature and Culture

After the first week of courses, students may not withdraw from Basic Requirement courses (with the exception of Interpreting Literature). These courses are graded A, B, C or NC. If not successfully completed, these courses should be repeated the next available term.

*Credits earned in this course will not count towards graduation.

**SUMMER OFF-CAMPUS COURSES**

**SRU’S REGIONAL LEARNING ALLIANCE AT CRANBERRY WOODS**

Slippery Rock University offers many courses at the Regional Learning Alliance at Cranberry Woods, conveniently located near the intersection of I-79 and the Pennsylvania Turnpike. The site has state-of-the-art computer labs, 26 classrooms, a wellness center, childcare center and is equipped for video conferencing. All Regional Learning Alliance classes will be noted in the Master Class Schedule with the Room Code of “Off” and Building Code “RLA.”

**DIRECTIONS:**

- Take I-79 to the Cranberry Exit (Route 228 - Exit 78)
- Proceed east onto Route 228
- At light, make a right onto Cranberry Woods Drive
- Turn right one road after stop sign.
- Follow to the Regional Learning Alliance

SRU’s online courses will be noted in the Master Class Schedule with the Room Code of “Off” and Building Code of “WEB”

*Complete list of summer course offerings is available at: https://www.sru.edu/mcs or http://mysru.sru.edu*

**CLASS ATTENDANCE**

Traditionally, attendance policies for individual classes have been determined by the instructor and communicated to the class at the first meeting.

As a university, however, we believe that class attendance, preparation and participation are integral components of student success. It is unusual for a student to be successful in a course without attending, preparing and participating regularly.

Therefore, we strongly encourage you to attend every class every day, to spend at least two hours in review and preparation for each one hour in class, and to participate fully in all aspects of the course.

**PRE-SESSION** – Classes meet 8:30–11:50 a.m., Wednesday through Friday the first week, Monday through Friday the second week and Tuesday through Friday the third week unless otherwise noted. The University will be closed May 29.

**SESSION I AND II** – Classes meet Monday through Friday at the scheduled period unless otherwise noted.

**SUMMER TERM** – Classes meet Monday through Friday at the scheduled period unless otherwise noted. The University will be closed Tuesday, July 4.

**FULL SUMMER AND POST SESSION** – Classes meet at the scheduled period/time unless otherwise noted. The University will be closed May 29 and July 4.

**COURSE CANCELLATION POLICY** – Courses that fail to enroll at least 8 graduate students or 10 undergraduate students one week prior to the first day of classes will be subject to cancellation.

**INTERNSHIPS** – All students must be officially registered for internships by June 15, 2017.

### NOTE:

A complete, up-to-date summer class schedule may be viewed at:

http://www.SRU.edu/mcs

or

https://MySRU.sru.edu
A FULL YEAR OF CHEMISTRY

It is possible to complete a full year of chemistry during the summer sessions in each of the following areas: Introductory Chemistry I and II (for nonscience majors), and General Chemistry I and II lecture and lab (for science majors). The labs meet either M/W or T/Th immediately following the lecture. Introductory Chemistry I and II is offered online only in the summer. Fundamentals of Organic Chemistry is also offered online. This is a one semester overview of Organic Chemistry.

For further information, contact Dr. Susan Zirpoli, Department of Chemistry, 724.738.2716.

Introductory Chemistry (on-line) June 5 – June 30
General Chemistry I lecture and lab June 5 – June 30
Introductory Chemistry II (on-line) July 5 – Aug. 1
General Chemistry II lecture and lab July 5 – Aug. 1
Fundamentals of Organic Chemistry June 5 – Aug. 1

MARINE SCIENCE
HTTP://WWW.CBFIELDSTATION.ORG

Marine science courses are offered at the Chincoteague Bay Field Station located in the eastern shore Virginia area, about five miles from Chincoteague Island. Introductory-advanced-and graduate-level courses in oceanography, marine biology, and marine ecology are among those taught. The general education/liberal studies marine science courses all fulfill laboratory credit requirements at Slippery Rock University.

Classrooms, laboratories, workshops, dormitories, cafeteria, books and recreational facilities are available at the station. Several research and training vessels are available for work in the nearshore environments of the Atlantic Ocean.

A student may register for a three-semester-hour course during each session. Four sessions are offered during the summer. A complete listing of marine science courses is given below.

All courses are full time. Only one course may be taken during a session.

If you intend to enroll in the course, please fill in the intent form for that course that can be located at the website noted above. This gives you priority but does NOT fully enroll you. You will need to enroll in the course through the offering university and housing through the consortium.

Session I
May 21 - June 9
Invertebrate Zoology (MARS-221)
Coral Reef Ecology (MARS-491)
Coastal Marine Biology (MARS-241) (E)
Biological Oceanography (MARS-464)

Session II
June 11 - June 30
Ichthyology/Fish Biology (MARS-373)
Field Methods in Oceanography (MARS-211)
Marine Ecology (MARS-260)
Coastal Herpetology (MARS-498)
Ecology of Marine Plankton (MARS-431)

Session III
July 2 - July 21
Wetlands Ecology (MARS-250)
Coastal Environmental Oceanography (MARS-451)
Behavioral Ecology (MARS-493)
Conservation Biology (BIOL-322)

SPECIAL ACADEMIC PROGRAMS

PYMATUMING LABORATORY OF ECOLOGY

Biology courses are also offered at the Pymatuning Laboratory of Ecology, the field research station of the department of biological sciences, University of Pittsburgh. Located on the shores of the Pymatuning Reservoir, 90 miles north of Pittsburgh and 40 miles south of Lake Erie, the laboratory and teaching facilities are situated within an 11,000-acre wildlife sanctuary and propagation area owned by Pennsylvania.

Students from Slippery Rock University may register through the University for any courses offered at the Pymatuning Laboratory of Ecology. Tuition and fees for these courses will be those normally required by Slippery Rock University and will be paid to that institution. A Laboratory Use Fee may be applicable. Slippery Rock University students taking courses at the Pymatuning Laboratory of Ecology will remain in the status solely of a student of Slippery Rock University, will be entitled to such academic credit as may be awarded under the pertinent regulations of Slippery Rock University and will be neither subject to the discipline or academic direction of the University of Pittsburgh nor entitled to any rights or privileges associated with student status at the University of Pittsburgh. All students are however subject to the rules of operation of the Pymatuning Laboratory of Ecology. Arrangements for room and board must be made with the Pymatuning Laboratory of Ecology at established rates.

A student may register for a three-semester-hour course during each three-week session. Three sessions are offered during summer. A complete list of courses being offered by the Pymatuning Laboratory of Ecology are given below:

Session I
May 15 - June 2
Ecology and Lab (BIOI-401)
Conservation Biology (BIOI-322)
Aquatic Entomology (BIOI-306)
Behavioral Ecology (BIOI-303)

Session II
June 5 - June 23
Ecology and Lab (BIOI-401)
Ornithology (Bird Ecology) (BIOI-320)
Ecology of Amphibians and Reptiles (BIOI-302)
Field Botany (BIOI-360)
Summer 2017 opportunities

Slippery Rock University offers numerous opportunities for international study, ranging from one week to one year in length. Summer programs run from one to eight weeks in length and all programs are designed to take advantage of the cultural opportunities in the host country. Summer 2017 opportunities are available in Canada, Costa Rica, England, France, Ireland, Japan, Mexico, Netherlands, Scotland, South Korea and Spain.

As deadlines, costs and enrollment requirements vary, interested students should contact the Office for Global Engagement, 002 Spotts World Cultures Bldg., Slippery Rock University, 110 Central Loop, Slippery Rock, PA 16057. Phone: 724.738.2057. Email: global.engagement@sru.edu.

INTERNATIONAL STUDY

Slippery Rock University offers numerous opportunities for international study, ranging from one week to one year in length. Summer programs run from one to eight weeks in length and all programs are designed to take advantage of the cultural opportunities in the host country. Summer 2017 opportunities are available in Canada, Costa Rica, England, France, Ireland, Japan, Mexico, Netherlands, Scotland, South Korea and Spain.

Most courses require a combination of field and laboratory work. For more information contact: Dr. Wayne M. Forbes in the Biology Department: 724.738.4953 or email wayne.forbes@sru.edu.

SESSION III
June 26 - July 14
Freshwater Ecology ..........................(BIOL-327)
Disease Ecology ................................(BIOL-400)

SESSION IV
July 17 - Aug 4
Wildlife Management ...................(BIOL-321)
Field Techniques in Ecology ..........(BIOL-326)
and Conservation

Most courses require a combination of field and laboratory work. For more information contact: Dr. Wayne M. Forbes in the Biology Department: 724.738.4953 or email wayne.forbes@sru.edu.

SUMMER CREDIT AND NON-CREDIT WORKSHOPS

Slippery Rock University’s reputation for presenting outstanding summer workshops is predicated upon the timeliness, relevancy, substance and articulate authority of participating lecturers and workshop leaders. As part of Slippery Rock University’s life long learning efforts, the workshops further represent the University’s commitment to providing ever-expanding opportunities for the people of Pennsylvania to participate and share in the educational resources which Slippery Rock University has to offer. The outstanding faculty and wide array of modern facilities which SRU possesses provide strong support for the diversified, enriching summer workshops.

WORKSHOP GENERAL INFORMATION

Most workshops-for-credit are also available for non-credit at a reduced rate on a space-available basis. In all instances, registrations for credit are given priority over non-credit registrations.

WORKSHOP REGISTRATION

- Complete the Workshop Registration Form on Page 19.
- Enclose a check made payable to Slippery Rock University or complete the charge card section of the Workshop Registration Form.
- Mail your form and check or fax your form with credit card information to:
  
  Summer Workshops
  Office of Academic Records
  Slippery Rock University
  104 Maltby Ave.
  Suite 107
  Slippery Rock, PA 16057
  PHONE: 724.738.2010
  FAX: 724.738.2936

You may also come to the appropriate office and register in person. When registering for a 595-level workshop, undergraduates (juniors and seniors) must complete and have appropriate signatures on an Undergraduate Permission to Enroll in 500-500 Level Courses Form before registration may be completed. The office of academic records can provide this form, or it may be found online. Tuition payment must accompany registration. If you have any questions, call the office of academic records. Registration should be made no later than one week prior to the starting date of the workshop.

If a workshop must be cancelled because of insufficient registration, those who have registered will be notified approximately five days in advance of the planned opening session and a full refund will follow.

WORKSHOP TUITION

Tuition for workshops is the same per credit as for regular courses. Out-of-state differential applies. Tuition is as follows: $302/undergraduate credit in-state, $603 undergraduate credit out-of-state, $483/graduate credit in-state and $725 graduate credit out-of-state. Non-credit tuition and fees are indicated in the specific information about each workshop. Tuition payment must accompany registration.

WORKSHOP GRADES

All workshops numbered 595 and 695 are graded using the traditional letter system; undergraduate workshops (numbered 195, 295, 395 and 495) are graded on a “Pass” or “No Credit” basis, unless otherwise indicated.
**PHILOSOPHY**

**Philosophy of Science Fiction (PHIL 395)**

Many philosophers, science fiction writers, and directors concern themselves with attempting to understand the mind, time travel, artificial intelligence, enhancements, virtual reality, and persons. This workshop draws on a broad range of books, films, and television series, including The Matrix, Blade Runner, Frankenstein, Brave New World, The Time Machine, and Inception to better understand these issues as they have been explored by philosophers, authors, and directors. This workshop will specifically focus on the recent show Westworld. This workshop considers classic philosophical puzzles while discussing their implications for contemporary moral issues, including cybersecurity, privacy, and civil rights.

This workshop is appropriate for anyone who is curious about these issues, including those who have little or no formal philosophical training. Participants will be introduced to various philosophical thought experiments, which are illustrated in film and fiction, to then formulate stances on such issues dealing with space, time, and ourselves. Freshman and Sophomore 1 students can enroll with instructor permission.

Course ................................................. PHIL 395 01
Schedule ............................................ May 17 – June 5
8:30-11:50 a.m.
Location ............................................. ATS 132
Credit .................................................. 3 undergraduate credits
Tuition and fees ..................................... $1,190.67 (in state)
$2,123.67 (out of state)
Non-Credit fee ........................................ $453
Instructor ............................................. Dr. Andrew Winters
Grading.................................................. P/NC (pass/no credit)

**HISTORY**

**Butler Historical Digital Project (HIST 495)**

This workshop will offer students the opportunity to explore the potential of digital media to enhance innovative interpretations of local history through the “Butler County Historical” project, a website and mobile phone app showcasing the history of Butler County, Pennsylvania. The site (www.butlercountyhistorical.org) integrates archival images, audio, video and historical narratives into engaging digital stories that are overlaid onto geographic locations.

Working alongside the instructor, student researchers will develop "stories" - historical narratives about significant events, people, and places - for publication in the Butler Historical site. This will involve original research in archival manuscripts, newspapers, property records, census data, photograph and slide collections, and other primary sources. Oral history interviews and other digital media will also enrich the site’s historical interpretation.

Students will develop significant skills in historical research and writing, as well as considering the potential benefits and limitations of digital platforms as a method of community engagement and education.

Course .................................................. HIST 495 01
Schedule ............................................. Wednesdays, June 21 - August 16,
12 p.m. - 4:15 p.m.
Location ............................................. ATS 129
Credit .................................................. 3 undergraduate credits
Tuition and fees ..................................... $1,190.67 (in state)
$2,123.67 (out of state)
Non-Credit fee ........................................ $453
Instructor ............................................. Dr. Aaron Cowan
Grading.................................................. A–F

**Western Pennsylvania Foodways (HIST 395)**

This workshop explores the social, cultural, economic, and political significance of food in the history of early western Pennsylvania.

The class includes hands-on instruction and demonstration using the hearth and historic reproduction bake oven at Slippery Rock University’s Old Stone House. Students will learn 18th and 19th century food preparation and cooking methods, and the importance of various foods to the culture of the American past.

Special emphasis will be placed on the changing relationship of people to the land and food production, and the relevance to present-day issues of sustainability, agriculture, and food consumption.

Course ............................................... HIST 395 01
Schedule ............................................. June 19 - July 6,
9 a.m. - 12:15 p.m.
Location ............................................. Old Stone House
Credit .................................................. 3 undergraduate credits
Tuition and fees ..................................... $1,190.67 (in state)
$2,123.67 (out of state)
Non-Credit fee ........................................ $453
Instructor ............................................. TBA
Grading.................................................. A–F

**MUSIC**

**Music Pedagogy (Music 395)**

Popular Music Pedagogy (MUSI 395 01) is a one week, interactive workshop which serves as an introduction to implementing and maintaining Modern Band programs at all levels. Participants will become familiar with the use of technology in music and learn the fundamental playing and teaching techniques for all Modern Band instruments including: guitar, keyboard, drums, vocals, and bass. This student-centered approach will provide instant music-making experiences through improvisational activities, recreating familiar popular music selections, and creating new compositions based on style/genre interests. Participants use their new pedagogical knowledge and instrumental skill set to perform original songs they create during the course. The goal of this workshop is to inspire pre-service music educators to leverage the cultural capital of their students and provide a music education experience that will be as diverse as the students they will one day teach.

First 15 participants to sign up receive a FREE acoustic guitar!

Course ................................................. MUSI 395 01
Schedule ............................................. May 17-21, 9 a.m. - 5 p.m.
Location ............................................. Swope Music Building
Credits:
3 Credit In-State ..................................... $1,146
includes room and board
3 Credit In-State ..................................... $1,066
(commuter – includes faculty charge)
3 Credit out of state ................................ $2,049
includes room and board
3 Credit out of state ................................ $1,909
(commuter – includes faculty charge)
Non-Credit fee ....................................... $693
includes room and board
Non-Credit fee ....................................... $533
(commuter – includes faculty charge)
Instructor ............................................. Dr. Cassandra Eisenreich
Course Max ........................................... 50 participants
(anything after 50 will be wait-listed)
Grading.................................................. P/NC (pass/no credit)
THE LIBERAL STUDIES PROGRAM

The Slippery Rock Liberal Studies Program will prepare you for a lifetime of learning within and beyond your career. It will equip you with the knowledge, insight, and ability that will distinguish you as a University graduate prepared to interact effectively in a complex world. Six blocks of courses reflect the Liberal Studies Program's six critical goals, broadly representing contemporary domains of intellectual inquiry. Courses from these areas will help you achieve our University outcomes for student learning and development.

UNIVERSITY OUTCOMES FOR STUDENT LEARNING AND DEVELOPMENT

Communication
Communicate effectively in speech and in writing, using appropriate information sources, presentation formats and technologies.

Critical Thinking and Problem-Solving
Locate, analyze, synthesize and evaluate information and ideas from multiple perspectives—mathematical, scientific and humanistic. Apply this information literacy to contemporary challenges.

Values and Ethics
Demonstrate an understanding of how the values of personal integrity, cooperative action and respect for diversity influence one's own behavior and the individual and group behavior of others.

Social Awareness and Civic Responsibility
Use knowledge of evolving human institutions and of diverse cultural and historical perspectives to interact effectively in a variety of social and political contexts.

Global Interdependence
Act with an understanding of the cultural, socio-economic and biological interdependence of planetary life.

Personal Development
Demonstrate intellectual curiosity, as well as a commitment to wellness and to emotional and spiritual growth.

Aesthetic Perception and Ability
Appreciate artistic expression and demonstrate an understanding of the creative process, finding vital and original ways to express feelings and insights in one's work.

Professional Proficiency
Apply knowledge and skills to meet professional competencies within a specific discipline.

LIBERAL STUDIES SIX CRITICAL GOALS

Basic Requirements
The educated person must be able to communicate effectively in oral and written modes using varied media and information sources. PRIMARILY: Communication and Personal Development outcomes.

The Arts
Through the creative process writers and artists express, challenge and extend societal values. To understand our own and other cultures, one must come to terms with artistic efforts. The educated person also uses creative ways to express feelings and insights. The student will demonstrate an understanding of the creative process and be able to analyze and interpret creative works in literature and fine arts. PRIMARILY: Aesthetic Perception and Ability outcome. (This block includes courses focusing heavily on several other outcomes, especially communication, critical thinking and problem-solving and personal development).

Global Community
NON-U.S.
The educated person has a sense of historical perspective and keen perception of the values and forces which have formed the American experience. The student will demonstrate an understanding of our political, economic, and social heritage which leads to good citizenship. PRIMARILY: Social awareness and civic responsibility and values and ethics outcomes.

U.S.
In addition, the educated person has a sense of historical perspective and keen perception of the values and forces which have formed the American experience. The student will demonstrate an understanding of our political, economic and social heritage which leads to good citizenship. PRIMARILY: Social awareness and civic responsibility and values and ethics outcome.

Human Institutions and Interpersonal Relationships
Our society depends heavily upon groups, organizations and institutions to function. The student will demonstrate an understanding of individual and group behavior by developing cooperative work strategies, examining individual and societal values, and exploring social issues. PRIMARILY: Social awareness and civic responsibility, values and ethics, and personal development outcomes.

Science, Technology and Mathematics
We study science and mathematics not only to master specific disciplinary content, but also to understand the modes of thought, reasoning and methods of inquiry of the scientist and mathematician. Rigorous, disciplined inquiry enables us to utilize scientific facts, mathematical principles, and the scientific method to analyze issues and problems of the world. PRIMARILY: Critical thinking and problem solving outcome. (This block includes courses primarily focusing on global interdependence).

Challenges of the Modern Age
We live in a rapidly changing world that demands making difficult decisions. The student will demonstrate the ability to weigh alternatives and make thoughtful choices. PRIMARILY: Critical thinking and problem solving and ethics outcomes.

PRELIMINARY APPLICATION TO ATTEND SUMMER SCHOOL – 2017

Undergraduate and special non-degree students who were enrolled at Slippery Rock University during the spring 2017 semester, and did not graduate in May 2017, and graduate and post-baccalaureate students who have enrolled in at least one class since spring 2016, are automatically eligible to attend summer school and need not submit this application. All other students must complete all the appropriate information below. International students who never attended SRU, may not apply for summer admission.

**Admission to summer school as a special non-degree student does not permit students to continue their education in subsequent semesters**

Undergraduate and Post-Baccalaureate students wishing to continue their studies beyond summer should contact the Office of Undergraduate Admissions, North Hall, 1.800.929.4778.

Graduate students wishing to continue their studies beyond summer school should contact the Office of Graduate Admissions, North Hall, 724.738.2051.
