ACT 48
What is Act 48 and who is affected?
Act 48 requires all Pennsylvania educators holding Pennsylvania public school certification including Intern, Instructional I and II, Educational Specialist I and II, Administrative, Supervisory, Letters of Eligibility and all vocational certificates to participate in ongoing professional education.

WHAT ARE THE REQUIREMENTS UNDER ACT 48?
All professional educators must obtain six credits of collegiate study; six credits of continuing professional education courses; 180 hours (66/180) of continuing professional education programs, activities or learning experiences; or any combination of credits or activity hours equivalent to 180 hours, every five years for all types and areas of certification to maintain active status. One credit equals 30 activity hours. All credits and activity hours must be related to an educator’s certificate type or area of assignment. The administrator may approve exceptions if a change of assignment area is anticipated. PDE changes or modifies these policies at their discretion. The most up to date requirements can be found at: www.education.pa.gov.

How are Act 48 credits reported to the Pennsylvania Department of Education?
A form is available in the Office of Academic Records and Registration, 107 Old Main for reporting Act 48 credits to PDE. This form may be submitted prior to the start of classes or at the completion of the semester. A grade of “C” or better is required for credit courses to qualify for Act 48 hours. The form is also available online at: www.sru.edu/academics/academic-services/academic-records/forms

DROPPING, ADDING AND WITHDRAWING FROM COURSES
Students wishing to add, drop or withdraw from courses may obtain drop/add or withdrawal forms from most academic offices as well as the Office of Academic Records and Registration, Room 107, Old Main and on their web page.

DROPPING COURSES: Students may drop courses using Drop/Add forms or MySRU up until the end of the eighth day of the term. Drop/Add forms may be brought to the Office of Academic Records and Registration. Only the student’s signature is required to DROP any course with the exception of Basic Requirement courses, which may not be dropped after the semester has started. An adviser’s signature is encouraged, but not required. Students may use the MySRU Portal to drop classes until Tuesday, Sept. 4. After Sept. 4, students will no longer be permitted to drop classes and must complete a Withdrawal form to receive a grade of “W” (see Withdrawing from Classes section below.)

ADDING COURSES: Students may add courses using drop/add forms or the MySRU Portal up until the end of the eighth day of the term. Drop/Add forms may be brought to the Office of Academic Records and Registration.

Students may use the MySRU portal to add classes until, Tuesday, Sept. 4. After Sept. 4, students will no longer be permitted to add classes using the MySRU Portal, but may continue to add classes through Monday, Sept. 10 only by using an Add form that has been signed by the course professor. During the second week of the semester all Add forms must be processed in the Office of Academic Records and Registration, Room 107, Old Main.

During the first week of classes, only the student’s signature is required to add OPEN classes. During the second week of classes, the instructor’s signature is also required. An adviser’s signature is encouraged but optional at the student’s discretion. To add CLOSED courses, or courses in which the appropriate pre/corequisites have not been taken; the instructor’s signature is always required.

WITHDRAWING (W) FROM CLASSES: Withdrawal forms are required after Sept. 4 and must be processed in the Office of Academic Records and Registration. For full semester classes, a “W” will be recorded as a grade through Wednesday, Nov. 7. After that date, students may not withdraw from individual classes and will be held accountable for and graded on all coursework, exams, etc. assigned during the last five weeks of the semester. The withdrawal deadline for courses meeting fewer than 15 weeks will be two-thirds of the way through the course’s beginning and ending dates. The student and his/her adviser and instructor must sign withdrawal forms. Students are not permitted to withdraw from Basic Requirement courses and may not use MySRU to withdraw from classes.

WITHDRAWING AND THEN ADDING COURSES DURING THE SECOND WEEK OF THE SEMESTER WILL INCREASE A STUDENT’S CREDIT HOUR TOTAL WHICH MAY INCREASE TUITION CHARGES.

**SENIOR CITIZENS**

Senior citizens (persons at least 62 years of age who are receiving Social Security or equivalent retirement benefits) may audit courses/workshops for free at Slippery Rock University on a space available basis. Senior citizens (who are no longer working) and are either ineligible for or not seeking Social Security or equivalent retirement benefits may also be eligible to participate in this program. No tests are required and no credit will be awarded; the knowledge gained is the reward. In those classes where students must purchase textbooks or special supplies, the senior citizen auditing the course will not be obligated to meet those expenses. Senior citizens may not register for classes until one week prior to the semester (see calendar page 3). Senior citizen applications are available from the Office of Academic Records and Registration, Room 107, Old Main. Senior citizens opting to take courses for credit will have their tuition waived, but must pay all fees in addition to the cost of books and supplies.

PUBLIC NOTICE OF RIGHTS UNDER EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.

   Students should submit to the Director of Academic Records and Registration, Dean, Department Chairperson, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

   Students may ask the University to amend a record they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

   If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request or amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

   One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Council of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

   A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

   Upon request, the University may disclose education records without consent to officials of another school in which a student seeks or intends to enroll, or where the student is already enrolled so long as the disclosure is for purposes related to the student’s enrollment or transfer.

4. As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records—including your Social Security Number, grades, or other private information—may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Slippery Rock University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, D.C. 20202-5920

   Copies of the University’s policy governing the Family Educational Rights and Privacy Act are available in the Office of Academic Records and Registration, Room 107, Old Main. Questions concerning FERPA should be referred to the Director of Academic Records and Registration.

POLICIES GOVERNING THE AWARDING OF LATIN HONORS

Only undergraduates who are working on their first baccalaureate degree will qualify to receive Latin Honors. Post-Baccalaureate and graduate students are not eligible for Latin Honors. Undergraduate students must earn at least 60 credits in residence at SRU and must have at least a 3.500 cumulative GPA to be eligible for Latin honors. Please refer to the University’s undergraduate catalog for more information on Latin Honors.

FULL-TIME ENROLLMENT

Undergraduates must be enrolled for at least twelve (12) semester hours (excluding “W” grades) to be considered full-time. Graduate students must be enrolled for at least nine (9) semester hours.

GRADE APPEAL POLICY

To review the current policy on the Web:
- Go to www.sru.edu
- Click: Offices (Bottom of page)
- Click: Academic Records and Registration
- Click: “Policies, Regulations and Catalogs”
- Click: “Final Grade Appeal Policy and Procedure”

EARNING TWO DEGREES OR TWO MAJORS

Policy

Effective May 2009, the Board of Governors of the PA State System of Higher Education set minimum standards for students wishing to earn two different undergraduate DEGREES at a single Commencement Ceremony.

To earn two different Baccalaureate degrees at the same Commencement ceremony, students must complete a minimum of 150 credits and all the academic requirements of both degrees.

Additional Clarification: Two Degrees

- Students may not earn two identical degrees (BS and BS) regardless of the number of credits earned.
- Students wishing to earn a Bachelor of Arts degree, whether it is associated with their first or second major, must complete the University’s modern language proficiency requirement at or above the 103 level.
- Students earning two different degrees (BS and BA) will be awarded two diplomas.
- Students must complete the Liberal Studies requirement associated with the first degree.

Additional Clarification: Two Majors

- Students may still earn two MAJORS and one degree. To earn two majors, students must complete at least 120 credits and all the academic requirements of both majors. This means students selecting a SECOND MAJOR that is offered in association with a Bachelor of Arts degree will NOT have to complete the university’s modern language requirement.

Additional Clarification: Second Baccalaureate Degree

- Students wishing to earn a second Baccalaureate degree after graduating should refer to the Second Baccalaureate Degree section of the undergraduate catalog.

ON-CAMPUS CHILD CARE

The SRU/SGA Preschool and Child Care Center is a not-for-profit organization, administered by the Student Government Association that provides licensed preschool and childcare service to SRU students, faculty and staff, and the community since 1978. Our program is nationally accredited and strives to provide quality early learning opportunities for children ages three through five. We also offer before and after school care for children ages six through twelve, as well as summer programming for both age groups. The Center is open year round Monday-Friday from 7:00 a.m. to 6:00 p.m.

For SRU students, grant funding is available that may help pay all or part of their child care expenses. Please call us at 724.738.2102 or visit the Center (007 McKay Education Building) for more information.

COMPUTER COMPETENCY REQUIREMENT

The goal of the computer competency requirement is to determine if students have the necessary foundation to develop the skills needed to effectively use computers and technology in an information based society. The topics on which students will be tested are computer hardware, system software, application software, the Web, networks, and security and privacy. We believe that students need to have a minimum level of competence to achieve the greatest success during their academic career. Students can demonstrate computer competency by either passing the computer competency exam or passing a one credit CPSC100 (Introduction to Computing for Liberal Arts) course or any of the following three-credit courses: CPSC110 (Computer Concepts), CPSC130 (Introduction to Information Systems), or PE 202 (Technology PETE).

CLASS ATTENDANCE

TRADITIONALLY, ATTENDANCE POLICIES FOR INDIVIDUAL CLASSES HAVE BEEN DETERMINED BY THE INSTRUCTOR AND COMMUNICATED TO THE CLASS AT THE FIRST MEETING.

AS A UNIVERSITY, HOWEVER, WE BELIEVE THAT CLASS ATTENDANCE, PREPARATION AND PARTICIPATION ARE INTEGRAL COMPONENTS OF STUDENT SUCCESS. IT IS UNUSUAL FOR A STUDENT TO BE SUCCESSFUL IN A COURSE WITHOUT ATTENDING, PREPARING AND PARTICIPATING REGULARLY.

THEREFORE, WE STRONGLY ENCOURAGE YOU TO ATTEND EVERY CLASS EVERY DAY, TO SPEND AT LEAST TWO HOURS IN REVIEW AND PREPARATION FOR EACH ONE HOUR IN CLASS, AND TO PARTICIPATE FULLY IN ALL ASPECTS OF THE COURSE.
