UNDERGRADUATE LIBERAL STUDIES PROGRAM

All new freshmen entering the University, and all transfers and readmitted students entering or re-entering the University, must meet the University’s liberal studies requirements.

The Liberal Studies Program is structured in terms of six critical goals. First, students pick one to four “goal courses” in each area. The faculty carefully developed these options to insures that every student has a solid intellectual foundation. Then, students have the opportunity to choose three additional courses from a wide class selection identified as “enrichment courses.” These courses give students the chance to broaden and deepen their understanding, always relating the new experiences to the six critical goals. These goals include the following areas: (1) basic requirements, (2) the arts, (3) global community, (4) human institutions and interpersonal relationships, (5) science, technology and mathematics, (6) challenges of the modern age. Guides to the Liberal Studies Program are available from most academic departments and the Academic Advisement Center in Bailey Library. More detailed information may be found on page 14 on this bulletin. A COMPLETE COPY OF THE LIBERAL STUDIES PROGRAM MAY BE FOUND AT: https://www.sru.edu/documents/academics/academic-services/liberalstudiesguide.pdf

DEGREE AUDIT REPORTS FOR UNDERGRADUATE AND GRADUATE STUDENTS

Degree audits are available by accessing MySRU. Click on the “Registration” tab, then click the “My Rock Audit” button (step 2).

Students are strongly urged to carefully review their audits for possible errors and to discuss their progress towards degree requirements with their advisers when they meet for registration purposes.

Questions concerning the accuracy of degree audits should be directed to the student’s adviser. If problems still persist or further clarification is needed, please contact the Advisement Center, 106 Bailey Library, or the Office of Academic Records and Registration, Room 107, Old Main.

STUDENT CLASS SCHEDULES

Students may use MySRU (https://MySRU.sru.edu) to view their schedules.

PASSHE COMMONALITY COURSE REPEAT POLICY

UNDERGRADUATE STUDENTS

Effective January 2010, undergraduate students will be limited to a maximum total of six repeats during their entire SRU academic career. In addition, repeats of a single course will be limited to a maximum of two. This means no single course may be taken more than three times. The most recent grade (regardless of whether it is higher or lower) will be the grade used in the student’s GPA calculation. Note: This is SRU’s current policy.

GRADUATE STUDENTS

Effective January 2010, graduate students may repeat a single course only once.

In addition, graduate students will be limited to a maximum total of two repeats across their program. The most recent grade (regardless of whether it is higher or lower) will be the grade used in the student’s GPA calculation. Note: This is SRU’s current policy.

POST-BACCALAUREATE STUDENTS

The course repeat policy for post-baccalaureate students is the same as the one for undergraduate students.

COURSES REQUIRING PRE/COREQUISITES

To learn the nature of a course’s pre/corequisite, you should refer to the course description in the University or registration catalog or contact the department. Students who have not taken the appropriate pre/corequisites may be blocked from registering for certain courses.
**UNDERGRADUATE BASIC REQUIREMENT COURSES ARE:**

- **ACSD 110** Beginning Algebra*

- **ENGL 102** Critical Writing
- **ENGL 104** Critical Reading or
- **ENGL 220** English Literature and Culture

After the first week of classes, students may not drop/withdraw from basic requirement courses. These courses are graded A, B, C or NC. If not successfully completed, these courses should be repeated the next available term.

*Credits earned in this course will not count towards graduation.

**MAXIMUM SEMESTER HOUR LOADS**

Students may register for no more than 7 credits in winter session. The number of credit hours an undergraduate student may carry in fall and spring is determined by the cumulative grade point average (CGPA).

- GPA of less than 2.000: 12 hours maximum
- GPA between 2.000 and 2.499: 18 hours maximum
- GPA of 2.500 and higher: 21 hours maximum

Students registering for excessive hours without permission of their dean will be required to reduce their loads. Additional charges are assessed undergraduate students registering for more than 18 semester hours.

**EQUITY IN ATHLETICS DISCLOSURE**

As set forth by the U.S. Department of Education, a report containing information outlined by the Equity in Athletics Disclosure Act is available after October 31 of each year. This information may be found on the University’s website at [http://www.rockathletics.com](http://www.rockathletics.com). Under the “Inside Athletics” menu select “Graduation Rates” for the most current reports.

**ACT 48**

**What is Act 48 and who is affected?**

Act 48 requires all Pennsylvania educators holding Pennsylvania public school certification including Intern, Instructional I and II, Educational Specialist I and II, Administrative, Supervisory, Letters of Eligibility and all vocational certificates to participate in ongoing professional education.

**What are the requirements under Act 48?**

All professional educators must obtain six credits of collegiate study; six credits of continuing professional education courses; 180 hours of continuing professional education programs, activities or learning experiences; or any combination of credits or activity hours equivalent to 180 hours, every five years for all types and areas of certification to maintain active status. One credit equals 30 activity hours. All credits and activity hours must be related to an educator’s certificate type or area of assignment. The administrator may approve exceptions if a change of assignment area is anticipated.

**What if circumstances prevent an educator from completing the requirements of Act 48?**

There is a provision for granting an extension of the five-year period due to extenuating circumstances. The Act also provides for an educator’s right to appeal a notice of inactive certification. The Department will develop procedural guidelines for the above provisions.

**How are Act 48 credits reported to the Pennsylvania Department of Education?**

A form is available in the Office of Academic Records and Registration, 107 Old Main for reporting Act 48 credits to PDE. This form may be submitted prior to the start of classes or at the completion of the semester. A grade of “C” or better is required for credit courses to qualify for Act 48 hours. The form is also available on-line at: [http://www.sru.edu/academics/academic-services/academic-records/forms](http://www.sru.edu/academics/academic-services/academic-records/forms)

**DROPPING, ADDING AND WITHDRAWING FROM COURSES**

Students wishing to add, drop or withdraw from courses may pick up yellow drop/add or blue withdrawal cards from most academic offices as well as the Office of Academic Records and Registration, Room 107, Old Main.

**DROPPING COURSES:** Students may drop courses using yellow drop/add cards or MySRU up until the end of the eighth day of the spring term and the second day of the winter term. Drop/add cards may be brought to the Office of Academic Records and Registration. Only the student’s signature is required to DROP any course with the exception of basic requirement courses, which may not be dropped after the first week of the semester. An adviser’s signature is encouraged, but not required. Students may use MySRU to drop winter classes until 11:59 p.m., Thursday, December 21 and spring classes until 11:59 p.m., Monday, January 29. After midnight, students will no longer be permitted to drop classes and must complete a blue withdrawal card to receive a grade of “W” (see withdrawing from classes section below.)

**ADDING COURSES:** Students may add courses using yellow drop/add cards or MySRU up until the end of the eighth day of the spring term and the second day of the winter term. Drop/Add cards may be brought University offices or the Office of Academic Records and Registration. Students may use MySRU to add winter classes until 11:59 p.m., Thursday, December, 21 and spring classes until 11:59 p.m., Monday, January, 29. After midnight, students will no longer be permitted to add classes using MySRU, but may continue to add spring classes through Friday, February 2, only by using an add card that has been signed by the course professor. During the second week of the semester all add cards must be processed in the Office of Academic Records and Registration, Room 107, Old Main.

During the first week of classes, only the student’s signature is required to add OPEN classes. During the second week of classes, the instructor’s signature is also required. An adviser’s signature is encouraged but optional at the student’s discretion. To add CLOSED courses, or courses in which the appropriate pre/corequisites have not been taken, the instructor’s signature is always required.

**WITHDRAWING (W) FROM CLASSES:** Blue withdrawal cards are required starting December 22 for winter and January 30 for spring and must be processed in the Office of Academic Records and Registration. For full semester classes, a “W” will be recorded as a grade through Friday, April 6. After that date, students may not withdraw from individual classes and will be held accountable for and graded on all coursework, exams, etc. assigned during the last five weeks of the semester. The withdrawal deadline for courses meeting fewer than 15 weeks will be two-thirds of the way through the course’s beginning and ending dates. The student and his/her adviser and instructor must sign withdrawal cards. Students are not permitted to withdraw from basic requirement courses and may not use MySRU to withdraw from these classes.

**WITHDRAWING AND THEN ADDING COURSES DURING THE SECOND WEEK OF THE SEMESTER WILL INCREASE A STUDENT’S CREDIT HOUR TOTAL WHICH MAY INCREASE TUITION CHARGES.**

Students dropping or withdrawing from any course should be aware this could affect financial aid, athletic eligibility and/or graduation. If students have any questions concerning their finances, they should contact the Financial Aid Office (107 Maltby Center).

A $15 LATE FEE will be assessed for all drop, add or withdrawal transactions approved by the student’s dean or the Office for Inclusive Excellence and received in the Office of Academic Records and Registration after the deadlines noted above.

Students are cautioned that making such a request may adversely impact future requests from potential employers, and other important individuals/organizations.

STUDENT’S RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the Director of Academic Records and Registration, Dean, Department Chairperson, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the requests was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. Students may request the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request or amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Council of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University may disclose education records without consent to officials of another school in which a student seeks or intends to enroll, or where the student is already enrolled so long as the disclosure is for purposes related to the student’s enrollment or transfer.

4. As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records—including your Social Security Number, grades, or other private information—may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Slippery Rock University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5920

Copies of the University’s policy governing the Family Educational Rights and Privacy Act are available in the Office of Academic Records and Registration, Room 107, Old Main. Questions concerning FERPA should be referred to the Director of Academic Records and Registration.

Undergraduate students must earn at least 60 credits in residence at SRU and must have at least a 3.500 cumulative GPA to be eligible for Latin honors. Please refer to the University’s undergraduate catalog for more information on Latin honors.

EARNING TWO DEGREES OR TWO MAJORS

Policy

Effective May, 2009, the Board of Governors of the PA State System of Higher Education set minimum standards for students wishing to earn two different undergraduate DEGREES at a single commencement ceremony. Prior to May, 2009, Slippery Rock University permitted students to earn only two MAJORS, not two DEGREES.

To earn two different baccalaureate degrees at the same commencement Ceremony, students must complete a minimum of 150 credits and all the academic requirements of both degrees.

Additional Clarification

• Students may not earn two identical degrees (BS and BS) regardless of the number of credits earned.
• Students wishing to earn a bachelor of arts degree, whether it is associated with their first or second major, must complete the University’s modern language proficiency requirement at or above the 103 level.
• Students earning two different degrees (BS and BA) will be awarded two diplomas. Students earning two degrees will only have to pay one graduation and diploma fee.
• Students may still earn two MAJORS and one degree. To earn two majors, students must complete at least 120 credits and all the academic requirements of both majors. This means students selecting a SECOND MAJOR that is offered in association with a bachelor of arts degree will NOT have to complete the university’s modern language requirement.
• Students wishing to earn a second baccalaureate degree after graduating should refer to the second baccalaureate degree section of the undergraduate catalog.

ON-CAMPUS PRESCHOOL AND CHILD CARE

The SRU/SGA Preschool and Child Care Center is a state-licensed, nationally accredited center that is owned by the Slippery Rock Student Government Association. It offers a licensed pre-school program for children ages three through five as well as before/after school and full day summer programs for school ages (ages six through twelve). Children of SRU students, faculty, staff and members of the community are welcome to attend.

A special grant program is available to SRU students that may help pay all or part of their child care expenses while they are in school. Please call the Center or stop in for more information.

COMPUTER COMPETENCY REQUIREMENT

The goal of the computer competency requirement is to ensure that students can effectively use computers and technology to succeed in an information-based society. The purpose of the competency test is to determine if new SRU students have already acquired the faculty-designated minimum level of computer competence. The topics on which students will be tested are computer hardware, system software, application software, social impact, technology and the web, networks, and security and privacy. We believe that students need to have a minimum level of competence to achieve the greatest success during their academic career. Students can demonstrate computer competency by either passing the computer competency entrance exam or passing a one credit Cpsc100 (Introduction to Computer for Liberal Arts) course or any of the following three-credit courses: Cpsc110 (Computer Concepts), Cpsc130 (Introduction to Information Systems) or PE 202 (Technology PETE).

TRADITIONALLY, ATTENDANCE POLICIES FOR INDIVIDUAL CLASSES HAVE BEEN DETERMINED BY THE INSTRUCTOR AND COMMUNICATED TO THE CLASS AT THE FIRST MEETING.

AS A UNIVERSITY, HOWEVER, WE BELIEVE THAT CLASS ATTENDANCE, PREPARATION AND PARTICIPATION ARE INTEGRAL COMPONENTS OF STUDENT SUCCESS. IT IS UNUSUAL FOR A STUDENT TO BE SUCCESSFUL IN A COURSE WITHOUT ATTENDING, PREPARING AND PARTICIPATING REGULARLY.

THEREFORE, WE STRONGLY ENCOURAGE YOU TO ATTEND EVERY CLASS EVERY DAY, TO SPEND AT LEAST TWO HOURS IN REVIEW AND PREPARATION FOR EACH ONE HOUR IN CLASS, AND TO PARTICIPATE FULLY IN ALL ASPECTS OF THE COURSE.

Courses from these areas will help you achieve our University outcomes for student learning and development.

UNIVERSITY OUTCOMES FOR STUDENT LEARNING

Professional Proficiency
Apply knowledge and skills to meet professional competencies within a specific discipline.

LIBERAL STUDIES SIX CRITICAL GOALS

Basic Requirements
The educated person must be able to communicate effectively in oral and written modes using varied media and information sources. PRIMARILY: communication and personal development outcomes.

The Arts
Through the creative process, writers and artists express, challenge, and extend societal values. To understand our own and other cultures, one must come to terms with artistic efforts. The educated person also uses creative ways to express feelings and insights. The student will demonstrate an understanding of the creative process and be able to analyze and interpret creative works in literature and fine arts. PRIMARILY: aesthetic perception and ability outcome.
