Clearances

The term “field experiences” denotes the entire range of in-school experiences, including structured observations in early field, course-related field experiences, and student teaching. **Note:** No student may enter a school to conduct any of these types of “field experiences” without having clear, up-to-date clearances on file at Slippery Rock University. For the latest information on PDE requirements please see: [http://keepkidssafe.pa.gov/resources/clearances/index.htm](http://keepkidssafe.pa.gov/resources/clearances/index.htm)

- Clearances are mandatory for all field experiences and student teaching -- if students renew their clearances every year after their first field experience, they should then have their clearances in time to enter the schools for the next stage of experiences.
- Clearances must be less than 1-year-old at the start of the experience (and for some placements, they may not be more than 1-year-old during the entire experience---see course instructor for details)
- Clearances MUST be submitted to the College of Education via our secure electronic server or physically on file at SRU prior to entering the schools (see course instructor for details)

Clearances with Infractions: Teacher Education candidates with any type of record, on any clearances, will require a meeting with the COE Dean, Assistant to the Dean, and Chairperson of your department.
