32-2521. Qualifications

An Applicant for licensure shall:

- Have graduated from a physician assistants educational program approved by the board.
- Pass a certifying examination approved by the board.
- Be physically and mentally able to safely perform health care tasks as a physician assistant.
- Have a professional record that indicates that the applicant has not committed any act or engaged in any conduct that constitutes grounds for disciplinary action against a licensee pursuant to this chapter. This paragraph does not prevent the board from considering the application of an applicant who was the subject of disciplinary action in another jurisdiction if the applicant's act or conduct was subsequently corrected, monitored and resolved to the satisfaction of that jurisdiction's regulatory board.
- Not have had a license to practice revoked by a regulatory board in another jurisdiction in the United States for an act that occurred in that jurisdiction that constitutes unprofessional conduct pursuant to this chapter.
- Not be currently under investigation, suspension or restriction by a regulatory board in another jurisdiction in the United States for an act that occurred in that jurisdiction that constitutes unprofessional conduct pursuant to this chapter. If the applicant is under investigation by a regulatory board in another jurisdiction, the board shall suspend the application process and may not issue or deny a license to the applicant until the investigation is resolved.
- Not have surrendered, relinquished or given up a license in lieu of disciplinary action by a regulatory board in another jurisdiction in the United States for an act that occurred in that jurisdiction that constitutes unprofessional conduct pursuant to this chapter. This paragraph does not prevent the board from considering the application of an applicant who surrendered, relinquished or gave up a license in lieu of disciplinary action by a regulatory board in another jurisdiction if that regulatory board subsequently reinstated the applicant's license.
- Have submitted verification of all hospital affiliations and employment for the five years preceding application. Each hospital must verify the applicant's affiliation or employment on the hospital's official letterhead or the electronic equivalent.

**Rule 360-5-.02 Qualifications for Physician Assistant Licensure**

An applicant for licensure as a physician assistant must show to the satisfaction of the Board the following:

- An affidavit that the applicant is a United States citizen, a legal permanent resident of the United States, or that he/she is a qualified alien or non-immigrant under the Federal Immigration and Nationality Act. If the applicant is not a U.S. citizen, he/she must submit documentation that will determine his/her qualified alien status. The Board participates in the **DHS-USCIS SAVE** (Systematic Alien Verification for Entitlements or "SAVE") program for the purpose of verifying citizenship and immigration status information of non-citizens. If the applicant is a qualified alien or non-immigrant under the Federal Immigration and Nationality Act, he/she must provide the alien number issued by the Department of Homeland Security or other federal immigration agency.

- Good moral character as demonstrated by two (2) acceptable references from licensed physicians, who are personally acquainted with the applicant. These may not be completed by the physician(s) applying for utilization of the physician assistant.

- Evidence of satisfactory completion of a training program approved by the Board. The Board has approved or will approve those physician assistant programs of training offered by accredited colleges or universities, whose graduates are eligible for the examination administered by either the NCCPA or NCCAA or their successors, and whose curriculum consists of two or more academic years, including clinical experience in health care appropriate to the task of a physician assistant.

- Evidence that the applicant has achieved a passing score on either:
  - The certification examination administered by the National Commission for Certification of Anesthesiologist Assistants (NCCAA) or its successor, or
  - The certification examination administered by the National Commission on Certification of Physician Assistants (NCCPA) or its successor.
