**Financial Aid in excess of tuition and fees can be used to cover room, board, transportation and miscellaneous education expenses. Graduate students must be enrolled at least half-time (6 credits) to be eligible for Direct Loans and Federal Work Study.

Graduate students are awarded based on the assumption of full-time enrollment. Students who enroll as part-time students (less than 9 credits) may have their student loans reduced to coincide with part-time charges. Students who receive a refund of excess financial aid based on full-time enrollment may need to return a portion of that refund once aid has been adjusted to part-time.

A Federal Work-Study (FWS) award is not a guarantee of earnings. Actual earnings are paid directly to the student and are not deducted from billable charges. For additional details about FWS, go to: ww.sru.edu/workstudy
