2016-17 Winter Direct Loan Request Application (WINAPP)

A limited number of financial aid opportunities may be available to SRU students to assist with costs associated with the Winter Session. Other than students enrolled in the Math/Science K-8 graduate program, Winter Session is not a regular semester, therefore, winter financial aid eligibility is tied to the Spring 2017 semester and Spring 2017 enrollment.

Students must be enrolled for a total of six credits to be eligible for federal loans.

You should complete this form ONLY if you are requesting a Direct Subsidized/Unsubsidized loan for the Winter Session AND meet one of the following criteria:

• You are enrolling in at least three credits for the 2016 Winter Session AND at least three but no more than five credits for the Spring 2017.

• You are a student in the Math/Science K-8 Graduate Program and would like to request a Direct Unsubsidized loan for the 2016 Winter Session.
