Fall 2018

HEALTH INSURANCE

All F-1 students at Slippery Rock University are highly encouraged to purchase medical insurance coverage for the duration of study. It is important to have benefits that work effectively and to understand that the US does not have universal health care, so health care and costs are the responsibility of each individual person. J-1 students including dependents must maintain medical insurance that meets the minimum requirements specified in the code of Federal Regulations [22 C.F.R. § 62.14] for the duration of their program. J-1 visitors must present proof of adequate coverage to the Office for Global Engagement to maintain lawful status.

The following criteria must be met:

_____ 1. Provide a written copy in English of your health insurance policy.

_____ 2. Provide beginning and ending coverage dates of insurance.
