The Stan Kendziorski International Student Scholarship has been established through the generosity of an anonymous donor, alumni, friends, and faculty/staff at Slippery Rock University. Stan Kendziorski was a faculty member at SRU from 1968 to 1998 and served as Director of International Services from 1980-1998. The scholarship is intended to recognize and reward a well-rounded international student who contributed significantly to the university in both academic and student life. For the 2016-2017 academic year two $1,500 awards will be made.

Applicants must be a first time undergraduate student and have completed a minimum of two semesters at SRU prior to applying for this award. Also considered are academic achievement, extra-curricular involvement, a one-page typed essay, a resume, and two letters of recommendation. One letter must be from a faculty member and one letter must come from a non-major faculty member. Neither can come from anyone in the Office for Global Engagement. Students must be full-time each semester the scholarship is awarded.
