Slippery Rock University attracts high-achieving students like you from around the world.

Think about all of the success you hope to build in life — work, family, friends, community. In many ways, it all rests on your university experience. Each year, Slippery Rock University welcomes students from countries around the world. They come to SRU for the unlimited opportunities that a highly recognized public university with a history dating back more than 125 years can offer. Once here, they find accomplished faculty, exceptional facilities, life-long friends and a safe, friendly community.

We can’t wait for you to Experience the Difference at The Rock!
Located in western Pennsylvania, Slippery Rock is a small, welcoming college town. SRU is located 60 miles north of Pittsburgh, the second largest city in the state. Many popular destinations are within an easy day’s drive, including Niagara Falls, New York City, Philadelphia, Toronto and Washington, D.C.
Build your foundation for excellence

With more than 80 challenging academic programs to choose from, taught by our accomplished professors in small class sizes (24:1 student-faculty ratio) you’ll receive individualized academic and career advisement. SRU offers a comprehensive learning experience that purposefully combines academic instruction with hands-on learning opportunities preparing you for not only your first job, but also for a lifelong career and personal success.

A reputation for caring

Time and again, students and visitors to SRU agree they have never experienced a more caring and friendly university. For international students, the support begins with the Office for Global Engagement starting with the application and enrollment process and continuing through graduation and beyond. From the clerks in the dining halls, to our faculty and highest levels of administration, you’ll find that students are No. 1 at SRU.

One of America’s safest campuses

SRU is consistently ranked as one of the safest universities in the United States. SRU strives to maintain a safe campus through the use of its own 24/7 campus-based University Police Department. The campus also features emergency call boxes placed throughout the grounds and well-lit parking lots and roads.

Career education and development

Life is about learning and change; education and development. SRU’s Office of Career Education and Development supports students and alumni in their learning and career development through appointments, career management tools, speaking events, networking venues, on-campus employer interviews and both on and off campus career expos and job fairs. Each year CED assists more than 3,500 undergraduate and graduate students. After graduation, students have reported successful landing positions with corporations including Bank of America, L’Oréal, Google, Honda of America, General Motors, Boeing and many more.

Undergraduate research

While the emphasis is on teaching and small classroom sizes at SRU, students also have the opportunity to engage in research as early as freshman year. Students are encouraged to engage in research to discover more about their major, work closely with faculty mentors and to stand out amongst their peers. Each year SRU hosts the Spring Research Symposium where students feature their scholarship and research through exhibits, oral presentations, performances and professional poster presentations. To learn more visit www.sru.edu/academics/research.

Internships

At SRU, internships are a key component of every academic program. Our thriving internship programs give students the opportunity for hands-on learning. Credits can be either used to fill elective requirements or requirements for a major. Internships are excellent opportunities to impress potential employers while learning your craft. International students work with the Office for Global Engagement for temporary authorization for practical training that is directly related to their major field of study, known as Curricular Practical Training or CPT.

International travel

In today’s global marketplace, the opportunity to travel and study abroad is becoming increasingly important. SRU students have the opportunity to study abroad for a full semester or longer at a variety of institutions. Credits are counted toward their SRU requirements. A variety of classes travel abroad in the spring semester as part of the class component. Approximately 350-400 students make the journey to countries including but not limited to Italy, Ireland, Spain, Costa Rica, Greece and the United Kingdom during that time.

For more information about academic programs, visit: www.sru.edu/majors.
Admission to Slippery Rock University is a rolling admission process; you can expect personal and timely updates on admission decisions throughout the year. Consideration for admission is selective based on your academic record, school leaving exams and English language proficiency. For some majors, an audition or portfolio may be requested.

Application deadlines
For August enrollment, you should apply early in the preceding academic year and no later than May 1. For January enrollment, the deadline is October 1. There is a $30 application fee. Essays, letters of recommendation and SAT/ACT test results are NOT required but are always welcome.

Admission criteria simplified
- Electronic application www.sru.edu/admissions/apply-now
- $30 application fee, waived only for exchange students.
- SRU does not participate in the Common Application.
- Transcripts in English from secondary school including any external examination results.
- Language proficiency
  - TOEFL IBT minimum score 61 or better
  - IELTS minimum score 6.0 or better
  - Duolingo English Test 50 or better
  - CEFR score minimum of a B2
  - PTE academic score of 50 or better
- Conditional admission may be granted to students that do not demonstrate language proficiency.
- Certification of finances with copies of bank statement(s) and financial support statement(s) completed by sponsor. The certification of finances is not used to determine academic qualification for admission but must be satisfactorily documented before the appropriate immigration forms I-20/DS-2019 will be used to obtain a student visa through the U.S. Consulate.

Affordable education
Did you know that you can study at SRU for less than half the price of private universities? All new international undergraduate students qualify for reduced tuition rates upon admission and will be considered for scholarships. Students can also apply for on-campus employment. Additional scholarship funding is available for subsequent years including scholarships reserved specifically for international students. Additionally, you will find a lower cost of living in Slippery Rock than at larger universities.

*Costs are based on the 2017-18 academic year and are subject to change.

**Platinum or 15-meal plan is the standard plan. Students can change the meal plan prior to commencing study and during the first week of class. Tuition and fees are based upon a minimum of 12-15 credits per semester. All costs are subject to change on an annual basis.

Cost and financial aid
The total estimated cost of attendance before the reduced tuition rate and scholarships are applied for the 2018-19 academic year is $30,494 USD per year (including tuition, fees, room, meals, books/supplies and personal living expenses). Upon admission, all degree-seeking international undergraduate students are awarded the reduced out-of-state tuition rate (non-need based financial aid) and the Provost Scholarship.

AWARDS
FIRST YEAR OF STUDY
- Out-of-state tuition reduction valued $3,500
- Provost Scholarship for Global Diversity and Academic Achievement $1,500

Total estimated cost of attendance 2018-2019 $25,949

SECOND YEAR OF STUDY AND ONWARD
- Out-of-state tuition reduction valued at $3,500
- Requirement to maintain award 2.5 GPA or higher
- Provost Scholarship for Global Diversity and Academic Achievement $1,500
- Requirement to maintain award 3.0 GPA or higher
- Presidential Award for Academic Excellence $500
- Requirement to maintain 3.5 GPA or higher

No additional application is necessary to qualify for the undergraduate reduced tuition rate (non-need based financial aid of $3,500) award and the Provost Scholarship ($1,500) at the time of admission. To maintain the awards in the second year of study students must maintain their grade point average. Additional scholarships are available by application after the first year of study. Scholarships are only applied to the fall and spring terms. For more details regarding cost visit and scholarships visit www.sru.edu/internationaladmissions.

ON CAMPUS EMPLOYMENT
International students are eligible to work on campus.
Graduate admission and programs

When you think about your future, what do you hope to achieve? At SRU, our master’s programs are specifically designed to help you meet your goals. Whether you’ve just finished your undergraduate degree or have been working professionally, SRU gives you the flexibility and practical interactions you need to succeed. For details about graduate programs visit www.sru.edu/academic/graduate-programs.

Main campus: Slippery Rock
RLA: Regional Learning Alliance, Cranberry Township

*This program’s mode of instruction may change to online only pending approval by SRU’s council of trustees and the chancellor of Pennsylvania’s State System of Higher Education. Current and future applicants will be advised if/when program changes are approved for enrollment.

**PLEASE NOTE:**
Classes for the Master of Business Administration are taught at the Regional Learning Alliance in Cranberry Township, located 25 minutes from SRU. Please visit www.sru.edu/MBA for additional information.

Master of Business Administration (MBA)

An MBA is essential for students who want a competitive edge in the business world after they graduate. The MBA program at Slippery Rock University is an accelerated program offered at the Regional Learning Alliance in Cranberry, Pennsylvania, just 25 minutes from Slippery Rock. This blended program includes both online and traditional classes for exceptional flexibility and enables professionals to earn their MBA with a schedule of evening classes. Students may complete the program in just one year or at a part-time pace to balance the demands of work and life. The MBA is offered in a general track (33 credits), an accounting/finance track (36 credits) and a management/marketing track (36 credits).

**Description**
For students who are interested in advancing their career in management, accounting, marketing or even owning their own business, the MBA program at SRU helps students get ahead and stay ahead. The curriculum covers a wide range of business areas including accounting, economics, and management; building leadership skills along the way. Students who enroll the MBA program at SRU will develop a solid foundation in business, explore their professional interests and work with faculty and peers to prepare for their ideal careers.

**Highlights**
By integrating classroom theory with real-world business practices, the MBA program at SRU provides knowledge and strategies that professionals will immediately find useful. Not only will students be prepared to compete in the job market, they will be ready to climb the corporate ladder or start their own businesses.

The MBA program at SRU benefits working professionals because it is:
- **Flexible:** classes are available both online and on-site.
- **Convenient:** located at the Regional Learning Alliance in Cranberry Township, Pennsylvania.
- **Accelerated:** ability to earn a degree in just one year.
- **Interdisciplinary:** includes business, data analysis and communication classes.

**Requirements**
Applicants must have completed a pre-calculus, business statistics or higher-level class, with a C or better. The requirement can be waived if the applicant’s Graduate Management Admissions Test quantitative score is sufficient, as determined by the admissions committee.

To apply for the MBA Program at SRU, students need to provide the following materials:
- **Online application:** www.sru.edu/admissions/apply-now.
- **Application fee of $30.**
- **Resume.**
- **Two electronic reference forms:** Students are responsible for forwarding this link to evaluators.
- **Applicants must submit two references via the wufoo forms using this link:** https://sruregistration.wufoo.com/forms/znbbaui1pkdqw8/.

**Official transcripts:** undergraduate/graduate transcripts from all institutions where college credit was granted. Official transcripts must be sent by institution via electronic transcript e-share to graduate.admissions@sru.edu or via mail. Faxed copies will not be considered official.

**Applicants must successfully complete the GMAT with a target score of 450.**

If English is not the applicant’s first language then they must submit English language proficiency exam results. See the chart for more details. The language proficiency requirement is waived for students who have studied at U.S. institutions.

**Bank statement and a financial support statement are required for the certification of finances.** For more details contact international.admissions@sru.edu. The GMAT may be waived if:

1. The student has a business related degree with a GPA of 3.0 or above from a regionally accredited institution.
2. The applicant has demonstrated sufficient professional work experience as determined by the admissions committee.
3. The student has earned a terminal degree or master’s degree from a regionally accredited institution.

If a student has a GPA below 3.0 or equivalent, they will need to successfully complete the GMAT with a score of 400 or better. Exceptions to these requirements may be made on a case-by-case basis at the discretion of the admissions committee.

The Accreditation Council for Business Schools and Programs is a leading specialized accreditation body for business education supporting, celebrating and rewarding teaching excellence. The association endorses the virtues of teaching excellence and emphasizes to students that it is essential to earn MBA program in a candidate for accreditation.
Cost of attendance
Costs vary by academic programs. The total estimated cost for 2018-19 is $30,914 USD; the MBA is $43,099. Tuition and fees are based upon a minimum of 9 credits per semester. All costs are subject to change on an annual basis. For more details regarding cost visit: www.sru.edu/internationaladmissions. 

Graduate Online programs
International students are encouraged to enroll in graduate programs at SRU. However, U.S. Federal law prohibits F-1 student visa holders from participating in online-only programs. International students that enroll in an online program must complete it from outside of the U.S.

ESL students at SRU’s main campus have full access to facilities, services and activities.
Popular Programs

Success Starts here. The School of Business is committed to providing the foundation that students need to begin their career path. SRU’s more than 800 students take a common core of business courses along with courses in their concentration. Additionally, we offer Bachelor of Science degrees in information system and healthcare administration and management. An internship component is built into every School of Business major as either an elective or requirement. There are five concentration areas, including:

- Accounting*
- Economics*
- Finance*
- Management*
- Marketing*

Career opportunities
Recent graduates have found careers in the public and private sectors in areas including public accounting, financial analysis, commercial and investment banking, human resources, international management and sales, and a host of others. Many of our graduates pursue advanced education training with great success.

Research
The department also has a dedicated undergraduate research projects laboratory where students collaborate with faculty members on current research projects. Every year some students have their research projects published.

BIOLOGY
The Department of Biology offers student the opportunity to explore the diverse field of modern biological sciences through the following majors and specializations.

Majors
- Biology, BA
- BS Biology – conc. Biomedical Sciences
- BS Biology – conc. Professional Bioinformatics
- BS Biology – conc. Cytotechnology
- BS Biology – conc. Histotechnology
- BS Biology – conc. Medical Technology

Accelerated affiliation programs
- BS Biology – Chiropractic 3+3 (Loyan University or Palmer College)
- BS Biology – Physical Therapy 3+3 (SRU)
- BS Biology – Dentistry 4+4 (West Virginia University)

Minors
- Marine Science

STEM PROGRAMS

PHYSICS AND ENGINEERING
Considering a major in physics or engineering? SRU is an excellent choice! We offer several programs that lead to a range of career options in rapidly growing industries. The department prides itself on the quality of its teaching, while also providing numerous opportunities for one-on-one interaction with a diverse group of faculty. All of the majors are designed to provide the core foundation in physics for individuals planning career in both physics and related technical fields.

Majors
- Industrial and Systems Engineering
- Petroleum and Natural Gas Engineering
- Physics (BA)
- Pre-Engineering dual degree with Pennsylvania State University; West Virginia University; University of Pittsburgh; Youngstown State University
- Physics (BS), concentrations in -Computational Physics -Computational Biophysics

Six Facilities: 
- Computational Physics Research Lab
- Optics/Advanced Physics Lab
- Light Scattering Research Lab
- Liquid Crystal and Nanoscience Research Lab
- Machine Shop
- Planetarium

Proposed programs*
- Civil Engineering
- Mechanical Engineering
- Electrical Engineering
- Chemical Engineering

**These academic programs are pending approval by the chancellor of Pennsylvania’s State System of Higher Education. Current and future applicants will be advised when these programs are approved for enrollment.

COMPUTING
In the Computer Science Department at SRU, students can select from three concentrations:

- Computer Science
- Information Technology
- Cyber Security

Computing majors at SRU have access to a $14.5 million, 67,000 square foot Advanced Technology and Science Hall that includes innovative technology labs, 3D printers, an artificial intelligence/robotics lab, three fully wired “smart classrooms” and access to virtualized services for course use.

Research
The department is committed to providing students a comprehensive and contemporary education by changing them through a combination of lectures and hands-on laboratory experiences. Biology majors are encouraged to collaborate with faculty in undergraduate research. These collaborative research opportunities, considered a high-impact practice, are a long-standing tradition in the Department of Biology.

Career Opportunities
Graduates have gone on to further education as well as industry but certainly not restricted to the following: healthcare & medicine, education, government, veterinary medicine and conservation/environment. Students wishing to pursue careers in health professions receive preparation from the department to apply to graduate and professional schools in the following areas, but are not limited to:

- Allopathic and osteopathic medicine
- Physical therapy
- Occupational therapy
- Physician assistant

HEALTH SCIENCES
Students wishing to pursue careers in the health sciences receive specialized advisement as pre-medicine and may choose from a number of majors at Slippery Rock University, such as:

- Biology
- Biochemistry
- Chemistry
- Exercise Science
- Psychology
- Public Health
- Recreational Therapy

To explore these programs and much more visit www.sru.edu/majors.
Get involved

There are more than 160 student clubs and organizations at SRU with a variety of focuses, including culture, academics, performing arts, journalism, sororities/fraternities and governance to name a few. If you can’t find an activity to match your interest, our student life staff can assist you in creating one to meet your needs.

SRU is an active and vibrant campus with 17 NCAA Division II men’s and women’s sport teams including basketball, soccer, tennis, and track and field among others. There are also more than 30 clubs and intramural sports programs featuring badminton, ice hockey, martial arts, soccer and volleyball, as well as adventure activities allowing you to explore the outdoors through kayaking, canoeing, hiking, camping, caving and skiing.

Global Engagement

The Office for Global Engagement serves as a resource center for students, faculty, researchers and scholars. Office staff help students and faculty traveling overseas and support international students from the application and enrollment process, to graduation and beyond. International students also receive advisement on topics related to immigration, transitioning, culture and personal matters. Special events and activities with an international focus are organized throughout the year.

Global Ambassador Program

The Global Ambassador Program is designed to assist new international students in their transition to the U.S. and SRU. New international students are assigned a global ambassador, selected through an application and interview process to serve as a mentor for the first semester. International students and their mentors meet throughout the first semester, attend campus events and take trips off campus to places including the Pittsburgh Zoo and Niagara Falls.

Academic Advisement

Advisement for international students begins before they even arrive on campus. Upon enrollment, students can expect timely communications from the international student adviser who will create their first semester class schedule and assist them during orientation and beyond to make adjustments. Students also have access to the Academic Advisement Center where the University’s first-year advisement activities and exploratory programs are coordinated. Through a system of department liaisons, the international student adviser and advisement coordinator communicate with the faculty, who serve as academic advisers to students after the first semester.

Tutoring Center

At SRU, highly-qualified students from numerous academic departments are available to offer free individual and group tutoring to students enrolled in any of more than 90 introductory courses. The primary goals of tutoring are to develop study skills and to support the classroom experience with explanation of specific course content.
Students with special needs
The Office of Students with Disabilities provides accommodations and services to ensure equal access to education for students with disabilities. To be eligible for services, appropriate documentation (medical, psychological, etc.) must be provided.

Counseling Center
The Counseling Center staff consists of a licensed psychologist and several counselors specifically trained to assist with international college student issues. All services offered at the Counseling Center are free and confidential.

Health Services
The McLachlan Student Health Center is available to students 24/7 during the academic year. Nurse practitioners and registered nurses are available for primary care; licensed physicians are available by appointment. Free emergency transportation from the Health Center is provided to nearby hospitals when necessary.

Journey to The Rock
Prospective students and their families are encouraged to visit SRU for a campus tour or personal appointment. Please contact the Office for Global Engagement in advance to schedule. Tours are available weekdays throughout the year and Saturdays by request. Tours for international students depart from the Office for Global Engagement.

Current students and alumni from around the world repeatedly recommend SRU to their friends and family. They cite the relationships with faculty as the most significant aspect of their studies, one which prepares them well for employment or graduate school. Confirming the academic quality and overall educational experience, the Middle States Commission on Higher Education recently recognized SRU among the very elite in satisfying their expectations and accreditation.

Want to learn more or speak with an international admissions counselor?
Join us on a virtual campus tour. The tour will give you 360-degree views into buildings, classrooms, and labs with additional photos and videos to provide further exploration. Visit www.sru.edu/internationaladmissions to access the tour.

Join us for live chat sessions and presentations through our private portal when you visit www.sru.edu/internationaladmissions. You’ll find the “Contact Us” button on the right side of the webpage. Chat sessions are scheduled throughout the week, typically 9 a.m.–12 p.m. and on 1:30–4 p.m. Tuesdays, Thursdays, and Fridays.
Notice of Non-Discrimination
