This guide may be used by BC3 students, who plan to transfer to SRU and are not certain of an academic major. The guide corresponds with the Liberal Studies component (general education) of the SRU curricula. BC3 courses that will transfer to Liberal Studies are listed under each category. Students pursuing a Program-to-Program Articulation agreement (P2P) should follow that specific agreement and not this guide. Students, who know their major but are not enrolled in a P2P, should direct questions to an SRU transfer counselor.
