HUMAN INSTITUTIONS/INTEPRSONAL RELATIONSHIPS

Any PSY course other than PSY 101

SCIENCE, TECHNOLOGY & MATH

- BIO 162 Anatomy and Physiology II (lab)

COMPUTER COMPETENCY (0-3 CREDITS)

All students will be required to show “computer proficiency” by either transferring or completing a computer course, or by passing an SRU proficiency exam. CCAC students may choose:

- CIT 100 Computer Fund and Applications
- CIT 130 Object Oriented Programming 1: Java

* Numerous other choices available at SRU

Transfer students must have a minimum 3.0 cumulative GPA to be offered admission into Exercise Science.

It is strongly recommended that students complete no more than 30 credits prior to transfer.

Students are responsible for the curriculum requirements at the time of enrollment at SRU. Because the curriculum may change from the point of beginning community college classes to enrolling at SRU, it is recommended that students occasionally consult with an SRU transfer counselor.
