**Lehigh Carbon to SRU - Liberal Studies Conversion Guide for Transfer Students**

This guide may be used by Lehigh Carbon students, who are planning to transfer to SRU and not certain of their academic major. The guide corresponds with the Liberal Studies component of the SRU curricula. Lehigh Carbon courses that will transfer to Liberal Studies are listed under each category. Students pursuing a Program-to-Program Articulation agreement (P2P) should follow that specific agreement and not this guide.

Students, who know their major but are not enrolled in a P2P, should direct questions to an SRU transfer counselor.

---

Students are responsible for the curriculum requirements at the time of enrollment at SRU. Because the curriculum may change, it is recommended that students occasionally consult with an SRU transfer counselor.
