

WCCC to SRU - Transfer Credit Guide

ACCOUNTING-ECONOMICS-FINANCE-MANAGEMENT-MANAGEMENT: HUMAN RESOURCES-MARKETING

This guide may be used by WCCC students who plan to transfer to a business program at SRU. The guide corresponds with the Rock Studies component (general education) of the SRU curricula and additionally includes some Major Requirement courses. Students pursuing a Program-to-Program Articulation agreement (P2P) should follow that specific associate degree curriculum, not this guide. Questions should be directed to an SRU transfer counselor.

Students are responsible for curriculum requirements at the time of enrollment at SRU. Because curriculum may change from the point of beginning community college classes to enrolling at SRU, it is recommended that students occasionally consult an SRU transfer counselor.
