

WCCC to SRU – Transfer Credit Guide

EXERCISE SCIENCE

This guide may be used by WCCC students, who plan to transfer to the Exercise Science program at SRU. The guide corresponds with the Rock Studies (general education) component of the SRU curricula and additionally provides some major-related course suggestions. Questions regarding this information should be directed to an SRU transfer counselor.

It is strongly recommended that students complete no more than 30 credits prior to transfer.

Students are responsible for curriculum requirements at the time of enrollment at SRU. Because curriculum may change from the point of beginning community college classes to enrolling at SRU, it is recommended that students occasionally consult an SRU transfer counselor.
