General Instructions for all Applicants

Please type or print in ink all portions of this application, making certain the fields are complete. An admission decision will not occur if any required information has been omitted. Only the applicant should fill out the application. Make sure to include your social security number, birth date and signature. Falsification or misrepresentation of information on the application could lead to dismissal from the University.

Instructions for Freshman Applicants

The application may be initiated following the completion of the junior year. Secondary School Transcript: It is the applicant’s responsibility to arrange to have an official secondary school transcript and test scores forwarded to the Office of Undergraduate Admissions at Slippery Rock University. The secondary school transcript should include your senior year course schedule and grades through the close of the junior year. High school students enrolled in college courses should submit official college transcripts to SRU as soon as they become available. A final, official transcript will be required upon graduation.

Required Freshman Testing: All candidates for admission must take either the SAT or ACT test for application consideration. To request that scores be sent directly from the testing service to Slippery Rock University, use code 3716 for the ACT test, and code 2658 for the SAT test. Scores will also be official if included on high school transcripts. For candidates who graduated from high school two or more years prior to the time of application, standardized test scores are not needed unless requested by the admissions committee.

G.E.D. Note: Students who have obtained a G.E.D. should provide a copy of the G.E.D. score report and diploma, and an official transcript from all secondary schools attended until the equivalency diploma was earned.

Those who previously attended SRU as degree-seeking students, left for any reason and subsequently intend to return to the University, should not complete this application, but instead should apply for Readmission. For additional information, please go to the following SRU Web site: www.sru.edu/academics/academic-services/retention-services

Transfer Students

Transfer students are those students who have graduated from high school and have subsequently enrolled in post-secondary coursework or attended the military.

Transfer students are expected to have achieved a satisfactory grade point average at previous institutions. Students, who for any reason are on academic suspension or dismissal from another institution, will not be given consideration for admission for at least one calendar year after the last semester of attendance.

An offer of admission to the University does not necessarily imply an acceptance to the student’s chosen major.

Application Procedure for transfer students

Consideration for admission will be given to those applicants who submit the following:

1. Application for admission and the application fee
2. Official transcripts from each post-secondary institution attended.
   (Failure to record and submit all transcripts will result in denial of admission or dismissal from the University.) Diploma school nursing students must also submit an official transcript from the institution that provided the general education requirements of their degree. Official transcripts may be sent to the SRU Office of Undergraduate Admissions electronically from the transfer institution, or mailed to SRU. Faxed documents are not acceptable.
3. Official score reports (AP, CLEP) and military transcripts, if applicable.
4. High school transcript (for students who have attempted less than 30 credits)
   G.E.D. Note: Students who have obtained a G.E.D. should provide a copy of the G.E.D. score report and diploma, and an official transcript from all secondary schools attended until the equivalency diploma was earned.

Students offered admission must submit all final transcripts. Failure to do so will result in a hold on registration privileges.

Transfer of Credits

An official evaluation of transfer credits will be provided to students who have been offered admission and have paid the Enrollment Deposit. Credits are considered for transfer based on the following criteria:

1. College level courses with grades of A, B or C are normally accepted in transfer. Letter grades of D may be accepted from Pennsylvania community colleges and other Pennsylvania State System of Higher Education universities in some circumstances.
2. Courses with grades of “P” or “S” are normally accepted.
3. Scores of 3, 4 or 5 on Advanced Placement (AP) exams are acceptable for college credit.
4. Courses earned through “credit by examination” are normally accepted in transfer.
5. There is no limit to the number of credits a student may transfer; however, the student must meet all graduation requirements.

Graduation Requirements

1. All undergraduate degree programs require a minimum of 120 credits.
2. All first baccalaureate degree students will take at least 30 of their last 60 credits at SRU; the University may not require the student to take more than 30 credits. All first baccalaureate students will take at least 50% of the credits required for the major from a PASSHE University. SRU may require up to a maximum of 50% of the Major credits.
3. Students must complete a prescribed number of Liberal Studies credits.
4. Students must complete 48 credits of upper-level coursework. Thirty-nine of the 48 credits must be at the 300 level or higher, the additional 9 credits may include courses requiring a 3-credit prerequisite. At least 24 of the 48 credits must be completed at SRU.
5. Students must complete at least half their major (15 credits minimum) in 300 or higher level courses.
6. Bachelor of Arts degrees require language proficiency at the 103 class level. Exemption by placement or examination is possible. Language courses used to satisfy the BA requirement may not be used in the goal section of the global community block of the Liberal Studies Program.
7. Students must complete at least 60 credits at SRU to be considered for Latin honors at the time of graduation.

A non-refundable $30 application fee is required. You may pay this fee online or send a check or money order, made payable to Slippery Rock University.
Please review the following list of Academic Majors/Programs of Study and make one selection based on your strongest interest at this time. (You may change your academic major during future terms/semesters and you may also declare double Majors and Minors after you are enrolled at the University.) Enter your choice on page 6 of the application.

Pre-professional advising tracks are offered for those undergraduates who plan to continue their education at the graduate and/or doctorate level. In addition to the Academic Major you select, you may also choose one of these tracks. Please indicate on page 4 of the application if you intend to pursue a pre-professional advising track. (Note: Transfer students may select pre-professional advising tracks but are not eligible for accelerated programs, i.e. - Exercise Science/3+3 Pre-PT.)

### OFFENSES

Have you ever been convicted of a felony offense?  
- [ ] Yes  
- [ ] No

A **conviction** is an adjudication of guilt and includes pleas of nolo contendere (no contest). Please disregard minor traffic violations, misdemeanors, offenses committed before your 18th birthday which were adjudicated in juvenile court under a Youth Offender Law, and any charges which have been expunged by a court or for which you successfully completed an Accelerated Rehabilitative Disposition Program.

A “yes” answer will be reported to the Pennsylvania Higher Education Assistance Agency (PHEAA) if the applicant receives PHEAA aid. A “yes” answer will not necessarily bar admission to the University, but it may limit the ability to enroll in or complete certain academic majors/programs and may affect approval to live in university-owned or university-affiliated housing.

If YES, please state the felony offense, the date of conviction and provide relevant information concerning the felony conviction on a separate sheet of paper.
