Academic Honors and Student Leadership Convocation 2017 – Honors Program Graduates

The University Honors Program offers students an opportunity to gain the most from their undergraduate careers. Students enrolled in the Honors Program take 21 credit hours of special course work in limited enrollment classes that emphasize extensive reading, critical thinking, intensive writing and group discussion. In order to earn recognition as program graduates, they must maintain a 3.25 grade-point average or higher and participate in various honors activities, including community service, leadership and extracurricular requirements. Honors graduates wear dark purple and silver cords.
