

# Career Education & Development

104 Vincent Science Center

# Thoughts About College

- 7 out of 10
- Looks good on a resume
- GPAs
- Key experiences
  - Internships
  - Study abroad
  - Research
  - Leadership
  - Service

# Five Keys

- + Academics and co-curriculars
- + ***Willing to go anywhere***
- + ***Willing to do anything***
- + ***Willing to meet everyone***
- + ***Willing to be 100% professional***

= **Opportunity**

# How We Support Learners

- **Year #1**

- Major choice
- What can I do with a major in . . . ?
- First year resumes & other documents
- Network & LinkedIn

- **Year #2 and Beyond**

- Graduate school
- Mock interviews
- Job search strategies
- Co-curricular counseling
- Employment documents
- Choosing minors
- Job shadows
- Networking & LinkedIn
- MAT, PECT, Praxis, CHES and other testing

# What Can Those at Home Do?

1. Use CED for academic major decisions
2. Encourage career fairs
3. Encourage a LinkedIn account (+learn use)
4. Encourage attending networking events
5. Encourage a first-year resume
6. Encourage “no down-time” holidays
7. Introduce them to people
8. Sign up for family newsletter

# Uncertain about Academic Major?

# Campus Jobs

- **Must be on-campus**
- **Must network and ask in individual offices**
- 1800 SRU jobs on campus (AVI is largest)
- Most jobs are filled in Oct.-Nov. and April
- 4% of jobs = new students
- 20% of jobs = sophomores
- **About 5% jobs on Career Connection**
- **We will have an open session about OCJs**
