### Reading the Schedule
Each section of the schedule has a stop location and arrival time.

```
<table>
<thead>
<tr>
<th>Stop Location</th>
<th>Arrival Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Heights</td>
<td>00:30:00</td>
</tr>
</tbody>
</table>
```

Simply take the hour (3pm for example) and affix it in front of the minute to see when the bus stops next. So if it's 3:14 pm, the next time the bus stops at the heights is 3:30 pm plus the :30 on the schedule.

Any issues reading the Schedule may be directed to sga@sr.edu --- happy riding!
