Fire Safety

Emergency Preparedness

Freshman Orientation Program

Environmental Health & Safety

Paul M. Novak, M.P.H., Executive Director

Emergency Management Administrator

Welcome to the Rock!

- Paul M. Novak, M.P.H.
 - Executive Director, Facilities, Planning & Environmental Safety
 - Emergency Management Administrator
 - University Fire Marshal
- Joel T. Brown, B.S.
 - Assistant Director, Environmental & Fire Safety
 - Recycling Coordinator
- Windy Stafford, M.A.
 - Assistant Director, Emergency Management
 - Title IX Investigator

Environmental Health & Safety

- General Safety & Environmental Compliance
- Accident Reporting & Workers' Comp
- Emergency Management & Preparedness
- Fire Safety & Prevention
- Risk Management/Property & Auto Damage Claims
- Recycling/Sustainable Practices
- Hazmat & Chemical Hygiene
- Asbestos Management
- Planning & Project Management – University Renovation & Construction Projects

Senior Administrative Commitment

- President's Cabinet
 - Council of Trustees
-

Accidents & Injuries

- University Accident Report Form
 - Students, visitors to campus not covered for injuries
 - PA Bureau of Risk & Insurance Management
- Workers' Compensation
 - Student employees eligible for coverage if injured during performance of their job

Automated External Defibrillators

- AEDs
- University Police
- Athletics
- Residence Halls
- Dining Halls
- ARC
- Some Classroom Buildings

Risk Management

- Claims
 - Property Damage
 - Auto Damage
- Fleet Van Drivers Training
 - Required of all who drive on behalf of the University
- Special Events Support

Fire Safety & Prevention

- Fire Drills
 - All campus buildings every semester
 - Residence Life buildings twice each semester
- Fire Alarm Evacuation – Get out!
- Residence Life Training
- Fire Detection & Suppression Systems
 - State-of-the-art systems; Emergency notifications
 - Testing & Inspection
 - Maintenance & Repair

Life Safety System Upgrades

- SRU is in the process of upgrading applicable building fire alarm systems using state of the art fiber technology, including a voice emergency network system (mass notification)
- Included in building renovation projects and the campus facilities master plan.

Recycling & Sustainability

- General Items
 - Cans, Bottles, Glass
- Paper including confidential documents
- Cardboard
- Electronic Waste
- Used fluorescent lamps
- Non-Alkaline Batteries
- President's Commission on Sustainability
- Climate Action Plan
- Energy Conservation Policy
- SRU: 2016 Green Ribbon Award Winner

Community “e” Waste Collection!

- Earth Week 2016
- Over 2500 items!

Emergency Preparedness & Response

- Weather Events
- Natural Disasters

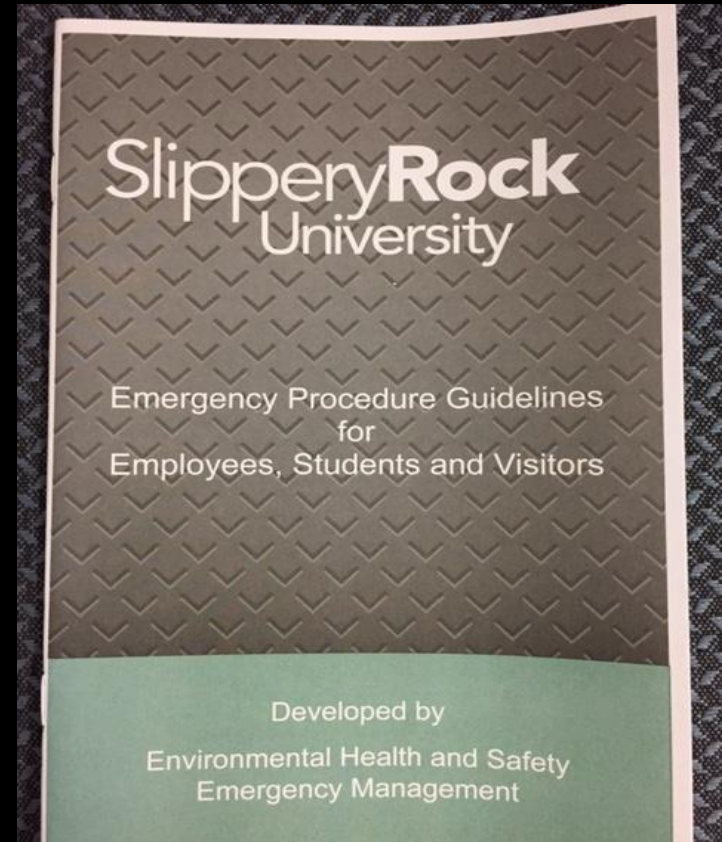

Emergency Preparedness & Response

- Fire
- Power failures
- Hazmat spills
- Violence

Emergency Response

- Emergency Operations Plan
 - Compliance with FEMA's National Incident Management System all-hazards approach
 - Framework for overall response; campus leadership
- Building Emergency Plan Templates
 - Specific to campus departments
- Guidebook to Emergencies on Campus
 - Employees, Students & Visitors

Emergency Preparedness Goal

- Identify and implement initiatives to enhance campus participation in emergency preparedness activities on an all-hazard, all-user basis.
- “What are YOU prepared to do?”

Emergency Preparedness/Planning

- Emergency Mitigation
- Emergency Response
- Emergency Recovery (Continuity)

- You cannot “script” a response, but you can prepare for one

Violence Prevention/Active Shooter

- Campus-wide training – employees and students
- Goal to identify/address potential threats prior to escalation into full blown incident
- “Flashpoint” – Behaviors of Concern
- “Silent Storm” – Stalking
- “Shots Fired” – Active Shooter Awareness & Survival

Emergency Reporting

- Slippery Rock University Police Department
- CALL 724-738-3333
- Dispatch Center
- 24 hour/7 days a week
- Fire, medical...all emergencies!

Emergency Communication Systems

- Blue Light Phones
- Mass Notification Systems
 - METIS Emergency Warning System
 - E2Campus Mass Notification System

Emergency Mass Notification

- E2Campus Alert System
 - Enroll through the SRU Office of Communications and Public Relations website
 - Sign-up for FREE text, or email alerts

Let's Work together!

- Effective preparedness results from everyone having an answer to the question...."What are YOU prepared to do?"

“Am I safe?”

Questions?

FP&ES looks forward to working
with the campus community
collegially and extends thanks
everyone in advance for their
cooperation!
