What do I do?

“My back hurts”
“My ear hurts”
“My throat is sore”
“I hit my head”
“I need a PAP”
“I’m sneezing”
“I’m throwing up”
“I twisted my ankle”
“I’m wheezing”
“I’m congested”
“I don’t feel well”
“I have a headache”
Where do I get ...
Student Health Services

McLachlan Student Health Center
Rhoads Hall
The mission of the Student Health Services is to enhance the educational process by:

- providing quality health care and
- promoting an optimal level of health and wellness among the student body.
In A Nutshell...

Keep them healthy and in class!
Services

Clinical Services
Health Promotion
Public Health

Services are available to all students who pay the Health Fee
Nursing Services

- Nurses on duty 24/7 to do such things as
  - Health teaching
  - Wound care/dressing changes
  - Allergy injections
  - Illness evaluation
  - TB testing
  - Draw blood
  - Immunization updates
  - Urgent Care evaluation
  - Crisis Evaluation
- We will administer allergy injections if the student brings their instructions and serum from the allergist.
Nurse Practitioner

- Nurse Practitioners are available Monday through Friday.
- They have appointments available just as you would have in your doctor’s office.
- They are able to do physicals, treat illness, and provide wellness care for men and women.
- They are able to write prescriptions.
- They provide STI testing.
Emergency

- In the event of an emergency we refer to the local hospital, Grove City Medical Center, 9 miles away. We work with the Slippery Rock Volunteer Fire Company and Rescue Service which has a response time of 5-10 minutes.

- Center for Community Resources: a county agency that performs crisis intervention for mental health concerns.
Ambulance Subscription Information

http://www.srvfc.com
Confidentiality

By law your student is considered an adult, we CAN NOT release health information to you without their consent.

With permission of the student and a SIGNED release of information we are able to speak with parents.
Checklist:

✔ Complete Health History through Student Health Portal
  ✔ Login Page to Access the Student Health Portal
    https://studenthealthportal.sru.edu

✔ Discuss Insurance Options

✔ If your student is diabetic please have them stop in and see us for a needle container

✔ Bring students’ medications and/or have their prescriptions transferred to a local pharmacy

✔ Encourage/support your student to complete MyStudentBody / check out the parent portal

✔ You and your student load SRU “Just in Case” app. The online applicantion can be found at bit.ly/srujicapp. Click download to home page.
Meningitis

- PA law requires your student to have access to meningitis immunization information (included in Health History) if they will be living in university housing.

- Proof of immunization or signed waiver is required by Residence Life.

- Also turn in the date to Student Health Services.

- Vaccination is strongly recommended.

- A booster dose is needed if the meningitis vaccine was received prior to your student’s 16th birthday.

- What’s the buzz about Meningitis B?
Questions

I will be available after the panel or you can contact Student Health Services
