## Jacqueline Berkstresser

**Job:** I work in the Financial Aid Office as a financial aid assistant. I counsel students and parents on financial aid and administer the Pennsylvania Higher Education Association Agency Grant Program and the Alternative Loan Program.

**Joined SRU:** 1999.

**Background:** I grew up in McConnellsburg. I am working on my bachelor's degree at SRU, majoring in criminology/criminal justice.

**Interests:** I enjoy running, playing golf and traveling. Most of all, I enjoy spending time with my son, my friends and my family.

**Person(s) I would like to have dinner with:** Sidney Crosby. He is one of my favorite Pittsburgh Penguins.

**Why I work at The Rock:** I enjoy working with my co-workers at the Financial Aid Office, but most importantly, I enjoy helping students understand their financial aid and helping them find alternative ways to help pay for their college education. SRU is an awesome place to work. I have developed relationships with people within the University that will last a lifetime. It is more than a place of work; it is a family.
