I am The ROCK

Mark Campbell

Job: Tutorial coordinator and development chair of academic services.

Joined SRU: January 1995.

Background: I began my career at Slippery Rock University with the Act 101 Program. Over the years, I have enjoyed several opportunities within academic services, including responsibilities with the Academic Advisement Center, Exploratory Student Program, basic mathematics, orientation, and state and federal grants.

Interests: Las Vegas, classic country, '80s metal and cooking Greek dishes.

Last book read: I'm always seeking news, so reading for me involves The Wall Street Journal, Las Vegas Sun and Pittsburgh newspapers.

Why I work at The Rock: Between advisement and tutoring, I am very fortunate to be able to help many students reach their academic and career goals. Also, I am blessed to have the friendships that I enjoy with those from the Slippery Rock University community.
