

I am The **ROCK**

Sherry Carlson

Job: University Webmaster, University Public Relations.

Joined SRU: September 1969.

Background: After graduating from Slippery Rock High School, I was hired as a stenographer in the Admissions Office. Back then; you had to take state civil service tests to be employed at a state college. Shorthand is a skill not used by today's secretaries. During one dictating session with then Director of Admissions Robert Lowry, he dictated 42 letters that I had to transcribe and mail by the end of the day. I am pleased that my career has progressed. I am currently the Webmaster. Amazing opportunities came my way and for that I am most grateful.

Interests: I enjoy golfing, both in a league and with my husband. I am an avid reader and traveler.

Last book read: 'True Blue' by David Baldacci.

Why I work at The Rock: Slippery Rock University will always be a part of me. I believe in our students so I contribute to the Student Scholarship Program and athletic scholarships. I love sports and enjoy attending events on campus. I have met and worked with many interesting students, faculty and staff. This is a great place to be employed with the myriad of benefits.
