

I am The ROCK

Tom Daddesio

Job: Associate professor of French and Spanish. Recent research interests are Flamenco and West African Francophone film.

Joined SRU: August 2000.

Background: I was born in Waterbury, Conn. I received my bachelor's degree in social studies-education at Syracuse University. After that I went to study in Paris where I completed my doctorate in French literature.

Interests: Tai chi, travel, other cultures and music. I have also been known to root for the New York Giants.

Person(s) I would most like to have dinner with: Gastón Acurio, Peruvian chef and cultural ambassador. Gastón is one of a kind.

Why I work at The Rock: I appreciate SRU for its commitment to international education: maintaining a healthy contingent of international students and faculty, offering numerous study-abroad opportunities for our students and providing funding for guest speakers and performers from around the world. I am active in APSCUF because I value what the faculty and coaches union does to ensure quality education and a cooperative work environment.
