

I am The ROCK

Gay DeMarsh

Job: Administrative assistant, Office of Diversity and Equal Opportunity.

Joined SRU: April 1990.

Background: I am married with four children, four grandchildren and another arriving in September. I began my career at SRU with two temporary positions, first in Bailey Library, the second in alumni affairs. I then got hired permanently in the communication department and spent 10 years with great faculty/family. I moved to the Office of Diversity and Equal Opportunity for the remainder of my 22 years at SRU.

Person(s) I would most like to have dinner with: Suze Orman, Erin Brockovich, Judge Judy and Mamie McCulloch, the 'I Can Lady' author and motivational speaker.

Why I work at The Rock: I am so fortunate to have all four children as alumni of SRU and gainfully employed. As a parent, I can't ask for anything more from life. The best years of my employed life have been at SRU. It is bitter sweet to be retiring in June. I will miss this family so much, but I am ready for my next stage in life. I believe in 'The Golden Years' to come.
