

I am The **ROCK**

Debra Dickey

Job: Clerk typist II.

Joined SRU: 1980.

Background: Born and reared near Slippery Rock, I was hired by SRU as a temporary in the Office of Student Accounts before becoming full time in Media Services. After taking time off to raise my sons, I returned in 2000 to the Office of Student Life before accepting my current position with the department of mathematics. I enjoy baking, riding motorcycles and being outdoors with campfires and s'mores. Recently, my husband and I became the proud grandparents of a beautiful baby girl.

Person (s) I would like to have dinner with:

Dr. Norton, because I'd really like to get to know her and/or Pittsburgh Steelers player Troy Polamalu, because I think he's a perfect example of what an athlete should be.

Why I work at The Rock: It's a privilege and a blessing for me to be employed by SRU. I love the students and do my best to make their time here a positive experience. They know my door is always open and the candy jar is full.
