

# *I am* The **ROCK**

## **Bryan Fuhs**

**Job:** Fiscal assistant, Office of Institutional Research.

**Joined University:** December 2004.

**Background:** More than 12 years experience in customer service, including five years with a non-profit organization. I spent more than three years as an office manager for a small business that imported and distributed hydraulic rescue equipment.

**Interests:** My first passion is my family. My wife and children are everything to me, and I love to spend time with them either at home or out together. My other passion in life is music. I love to sing, and I have had the opportunity to lead worship at two different churches. I also love playing piano, which I am not great at, but I try. I currently have a love/hate relationship with the acoustic guitar.

**Last book read:** 'A Swiftly Tilting Planet' by Madeleine L'Engle.

**Why I work at The Rock:** I love being able to work in a place that provides opportunities for me to positively impact and serve others. Slippery Rock University abounds with these opportunities. I especially enjoy being able to get to know the students, and I have even become a trusted friend to a few of them. I am a student myself in professional studies with an emphasis in criminology. It is such a great privilege to work and learn at The Rock.
