

# I am The ROCK

## Courtney Gramlich

**Job:** Storm Harbor Equestrian Center manager.

**Joined SRU:** August 2006.

**Background:** I was born in Butler and grew up in West Sunbury and have always had horses. I graduated from Moniteau High School and then went to Slippery Rock University receiving a degree in therapeutic recreation in 2000. I worked at George Junior Republic in Grove City in its therapeutic riding program before coming to SRU.

**Interests:** Gardening, showing my horses, playing with my three dogs and traveling.

**Person(s) I would most like to have dinner with:** The top three that come to mind are: Warren Buffett, Mario Lemieux and George Morris, a very highly respected equestrian who has been involved with many avenues of the sport.

**Why I work at Slippery Rock University:** Of course being an alumna of SRU and enjoying my education has given me a vested interest in working here. I enjoy working with the college students and keeping track of what path they end up following. I am very lucky to be working in such a unique program and working amongst many talented individuals.
