Suzanne Kildo

Job: Fiscal technician, supervisor of accounts payable.

Joined University: December 1987.

Background: I have always worked in finance and administration. I began my career at Slippery Rock University in the Office of Student Accounts, assisting students for nine years. In 1996, I became supervisor of the accounts payable department overseeing daily operations.

Interests: I love spending time with my family. My greatest joy comes from the moments I'm with my two granddaughters, Lili and Rowan. I love music and reading. I also enjoy cooking and baking, if I have the time. I love to travel and especially enjoy going on cruises with my husband and friends.

Last book read: 'The Associate' by John Grisham.

Why I work at The Rock: I love working at The Rock. I'm blessed to work with such a great group of individuals. I feel very fortunate to have the opportunity to make a difference with not only staff and faculty, but also with the many vendors that service our campus.
