

I am The ROCK

Rebecca Lindey

Job: Clerk typist II, department of theatre.

Joined SRU: 2008.

Background: I was born in Athens, Ohio, and moved to Slippery Rock at age 4 when my dad, Bill Kirk, accepted a faculty position in psychology at SRU. I am a 1987 SRU graduate and earned a bachelor's degree in secondary education. I taught three years and worked as a medical billing clerk for a surgeon's office before joining the University.

Interests: Reading, gardening, camping and spending time with my family.

Person I'd like to have dinner with: Roald Dahl, the late author of 'Charlie and the Chocolate Factory' and other children's classics.

Why I work at The Rock: I have fond memories of growing up around SRU and knew I would enjoy working in an academic environment. The faculty and students in the theatre department at SRU make my job fun and interesting. It is gratifying to see how far the University has come since my days as an undergraduate.
