

I am The **ROCK**

William Porter

Job: Supervisor of fleet operations.

Bill

Joined SRU: July 2002.

Background: I was born in Butler and grew up in West Sunbury with two sisters and four brothers. I am married to my wife, Bev, who works at The Butler County Courthouse. I have two children, Justin and Shannon; a beautiful granddaughter Lily and another granddaughter, Peyton, on the way in January. Before joining SRU, I spent 25 years in the motorcoach and tour industry.

Interests: I love to spend time with my granddaughter, as well as spending time in the woods. I enjoy hunting deer and bear and taking hunting trips to Colorado and Montana. I am currently planning a hunting trip to Africa. I also enjoy cross-country rides on my motorcycle, and I enjoy vacationing at the beach with my family.

Reading interests: American Hunter magazine.

Why I work at The Rock: I enjoy working with people in the car pool. I love to spend my time diagnosing and troubleshooting cars, trucks and equipment. The environment at SRU is different than any other job I have worked. I have formed a family with my co-workers and enjoy the experience of being able to work with and get to know the students. This job has a lot to offer, and I love how I can wake up in the morning and not dread coming to work.
