

I am The **ROCK**

John Press

Job: I am the manager of technology support services. My office is responsible for the day-to-day operations of the HELP Desk and the public computer labs. I supervise a great team of five full-time technicians.

Joined SRU: 1992.

Background: I grew up in a very small town called Shinglehouse located in north central Pennsylvania. I received my degree in computer science and business administration from Clarion University.

Interests: I love spending time with my friends and family. In my spare time, I enjoy getting lost in a good book, reading cookbooks and magazines and cooking for a few or a crowd.

Person(s) I would like to have dinner with: Let's make it a dinner party: Charles Dickens, Edgar Allen Poe, J.K. Rowling, Steven King, Diana Gabaldon, Doug Watkins, Janet Evanovich, Guy Fieri, Giada de Laurentiis, Paula Deen, Emeril Lagasse, Rachael Ray and Julia Child.

Why I work at The Rock: That's an easy one, it's the people. Over the years, I've had the opportunity and privilege to work with many diverse students, staff, faculty and administrators. Through my interactions with them, I have made some very close friends, experienced life through new eyes and have learned a lot about myself. Each day at SRU brings new challenges, opportunities and experiences. I am proud of the work we do here at SRU.
