

I am The ROCK

Wassily Kandinsky

Judy Silva

Job: Assistant professor at Bailey Library, where I serve as arts librarian and archivist.

Joined SRU: Fall 2001.

Background: After living on both coasts and two mountain states in between, I came home to western Pennsylvania to attend graduate school and start my career. My bachelor's degree is from the University of California, Santa Cruz, and I earned a master's degree in library and information science from the University of Pittsburgh.

Interests: Biking, museums, home improvement, aesthetics, art repatriation and environmental issues.

Person I would most like to have dinner with: Emma Guffey Miller, a trustee when SRU was still a college and the woman for whom Miller Auditorium is named. She sounds like such a character and could tell me the inside scoop on our institutional history.

Why I work at The Rock: SRU is a great place to work, and I'm proud to be a member of the faculty. I have wonderful colleagues in the library, and I enjoy working collaboratively with the teaching faculty. Best of all is the interaction with students. I love sharing the thrill of discovery with them as their research takes off.
