

A woman with long brown hair and glasses is smiling in an office. In the background, there is a calendar for November 2013 and some office supplies.

I am The **ROCK**

Betsy Strawbridge

Job: Clerk Typist II public health and social work.

Joined SRU: 2006.

Background: I am a Slippery Rock native. After living in south Florida for several years, I returned to the area to rear my family in 1998. I currently live in Grove City with my 14-year-old son, Kyle. I earned an associate degree from Butler County Community College and am currently a senior seeking my degree in professional studies at The Rock. I began my SRU career in the Admissions Office and later worked in the athletic department from 2007-2011.

Person(s) I would most like to have dinner with:

Temple Grandin, an autism community advocate. I'd like to thank her personally for all she has done for my son and the entire autism community.

Why I work at The Rock: Working at SRU has afforded me the opportunity and flexibility to provide for my son as a single parent. It has also opened the door for me to continue my own education. I really enjoy the daily interaction with the many students at SRU. I like to think of them all as my children, and I work for them.
