

I am
The **ROCK**

Beth Thompson

Job: Assistant manager, Student Government Association Bookstore.

Joined SRU: August 1989.

Background: I was reared in State College and married a Slippery Rock native, who I met when we were both attending PSU. I started at the SGA Bookstore as a temporary, full-time employee right before the start of the fall semester. It was crazy, but I loved it, so they asked me to stay. I started out as the head cashier, and became assistant manager in 1992.

Person(s) I would most like to have dinner with: The late Kurt Vonnegut because his cutting humor and social commentary are amazing, and I'm sure he would be outrageous.

Why I work at The Rock: The students of Slippery Rock University are some of the best and most interesting people on the planet. My colleagues, both in the bookstore and across campus, are caring and nurturing people. Being part of an educational institution presents a constantly changing cast of characters, and every day is an adventure.
