

I am
The **ROCK**

Robert Walker

Job: Assistant manager SGA Bookstore.

Joined SRU: 1997.

Background: I received my bachelor's of education degree from Slippery Rock University and associate's degree in applied science from Butler County Community College. I worked in Radio Shack management before joining SRU. In the bookstore, I am responsible for staff PC upgrades and assistance and store server upgrades and maintenance.

Person(s) I'd like to have dinner with: U.S. President Abraham Lincoln, Roberto Clemente, the late Pittsburgh Pirates baseball player, and comedian Jerry Seinfeld.

Why I work for The Rock: Working with great people on a beautiful campus at the school where I had some great years – what's better than that. I have enjoyed watching how the campus has evolved, and yet retained the traditional charm.
