Fee Descriptions

NOTE: All fees are mandatory and subject to change without notice.

TUITION:
Tuition is based on your credit load and residency status. Full-time tuition is based on a credit load of 12-18 credit hours for an undergraduate student. Graduate students are charged by the credit, no full-time rate. Students registering for credits in excess of the maximums will be charged for each additional credit at the current rate. Tuition for students taking summer classes will be charged by the credit hour.

HEALTH SERVICES FEE:
This fee supports the student health program, which is available to all students at no additional cost, 24 hours/day, 7 days/week during the academic year. Physicians, nurse practitioners and registered nurses provide a comprehensive program including office visits for illness and injury, medication such as antibiotics, preventative care including physical exams, walk-in urgent care, inpatient overnight care, and campus-wide health education including peer education. (Health Services)

STUDENT CENTER FEE:
The State System of Higher Education requires that student unions be funded through a student fee. The Student Union fee provides for the fiscal support of Student Union programs, services, and operations including maintenance, utilities, staffing, equipment, and special activities and events.

STUDENT ACTIVITY FEE:
Collected from all students and administered through the Student Government association under regulations approved by the Council of Trustees, this fee helps defray the cost of athletic events, lectures, movies, entertainment, and publications; and to support student organizations and the campus shuttle bus. The fee will be 5.25% of the in-state tuition. (Cooperative Activities)

ACADEMIC ENHANCEMENT FEE:
This fee is for the purpose of supporting academic activities that enhance and extend the instructional activities of the class, for course credit both on-campus and off-campus. The fee is calculated as follows:

- Undergrad Students 10% of in-state tuition
- Graduate Students: 15% of tuition

RECREATION COMPLEX FEE:
Students voted to establish this fee, beginning in the fall semester of 1994, to fund the construction and operation of the new Aebersold Student Recreation Center. This fee also includes access to the Russell Wright Fitness Center located in the recreation center. The fee is $9.20 per credit hour. (Campus Recreation).

STUDENT LIFE ENHANCEMENT FEE:
This fee is for the purpose of support student life activities that enhance and extend the traditional co-curricular, outside of the classroom, activities, including prior fees for transcript and graduation.

TECHNOLOGY FEE:
Implemented by the Board of Governors of the State System of Higher Education, this fee enables the university to invest in instructional technology by upgrading computer labs and classrooms and providing other technological enhancements. (Fee set by the Board of Governors).

LAB FEE:
The STEM-H Course lab fee is a differential fee for specific high-cost/high-demand undergraduate Science, Technology, Engineering, Mathematics and Health courses. This fee will be used to provide the student with high quality laboratories, clinical practice, internships, and academic equipment.

DIDACTIC FEE:
The Didactic fee is incurred during the first three semesters of the Physician Assistant program. This fee is utilized for laboratory support, student professional growth, professional memberships, activities, drug screens, certification fees, IDs and board preparation.

CLINICAL FEE:
The Clinical fee is incurred during the final three semesters of the Physician Assistant program. This fee is utilized for clinical experiences/clinical sites, professional memberships, activities, drug screens, certification fees, IDs and board preparation.
ENGINEERING FEE:

The engineering fee is a differential fee for specific high-cost/high-demand undergraduate Engineering. The fee is assessed at $80 per credit for engineering course areas. This fee will be used to provide the student with high quality technology and academic equipment.
