

Dear Student:

Slippery Rock University has contracted with Heartland ECSI to provide tax documents (1098-T forms) to its students.

In previous years, your 1098-T included a figure in Box 2 that represented the qualified tuition and related expenses (QTRE) we billed to your student account for the calendar (tax) year. Due to a change to institutional reporting requirements under federal law, beginning with tax year 2018, we will report in Box 1 the amount of QTRE you paid during the year.

Why the change?

Based on a report compiled by the US Inspector General for Tax Administration, it was determined there were a large number of errors as it relates to educational tax credits. The majority of these errors were caused by confusion regarding Box 2 (amounts billed) reporting. This change eliminates this confusion and the potential for inaccuracies on 1098-T forms going forward.

So, what does that mean for you?

This means that you will no longer see any amounts in Box 2 (Amounts billed for qualified tuition and related expenses) on your 1098-T form. You will, however, see an amount in Box 1 (Payments received for qualified tuition and related expenses). All payments received by SRU from January 1, 2018 through December 31, 2018, regardless of the term paid, will be included in your 1098T calculation per IRS guidance.

A sample 1098-T form has been provided below.
