A limited number of financial aid opportunities may be available to SRU students to assist with costs associated with the Winter Session. Other than students enrolled in the Math/Science K-8 graduate program, Winter Session is not a regular semester, therefore, winter financial aid eligibility is tied to the Spring 2018 semester and Spring 2018 enrollment.

Students must be enrolled for a total of six credits, three of those must be in spring, to be eligible for federal loans and have completed a 2017-18 FAFSA.

You should complete this form ONLY if you are requesting a Direct Subsidized/Unsubsidized loan for the Winter Session AND meet one of the following criteria:

- You are enrolling in at LEAST THREE CREDITS for the 2017 Winter Session AND at LEAST THREE but no more than FIVE CREDITS for the Spring 2018 semester and would like to request consideration for Direct Loans.
- You are a student in the Math/Science K-8 Graduate Program and would like to request a Direct loan.
