3M™ Precision Standing Desk

Vendor Number: 1030943

Price: \$319.00

Item number: 2741338

Product Description

Precision Standing Desk allows maximum adjustability for your most comfortable standing work position. Gas assist height adjustment allows you to move smoothly and quietly between sitting and standing positions in seconds. Continuous settings allow you to easily adjust with levers on the side to any point within 13-4/5" height-adjustment range from 6-1/5" to 20". With an easy-to-use knob, the keyboard surface offers tilt adjustment range of negative/positive 10 degrees to help achieve the most comfortable typing position. Compact footprint that easily fits onto a 24" deep desk. Primary worksurface is large enough to fit two 24" monitors and keep tools within arm's reach. It supports up to 35 lb. Desk includes 3M Gel Wrist Rest for your keyboard and Precise Mouse Pad for use on the lower level for added comfort and productivity. Precise surface enhances the precision of optical mice at fast speeds. Desk is made with a steel frame and medium-density fiberboard.

Lorell® Deluxe Ergonomic Sit-to-Stand Monitor Riser

Vendor Number: 1099471

Price: \$269.50

Item number: LLR 99759

Product Description

Deluxe adjustable desk riser offers a healthy addition to any desk that allows you to sit or stand while you work. The large worksurface accommodates two monitors or a monitor and a laptop. Ergonomic keyboard tray moves up and down with the desk and moves out/in for the most comfortable position. Five height adjustments allow a comfortable standing position. Height adjustments can be set at 6-7/10", 10", 13", 15-2/5" and 16-1/2". Easily raise or lower the riser with the adjustable paddles in the front for user-friendly operation. Gas spring will allow you to easily move the desk up and down, even with your computer equipment. Riser is fully assembled for use right out of the box.

Lorell® Sit-To-Stand Electric Desk Riser, Black

Vendor Number: 1099471

Price: \$267.50

Item number: LLR 99552

Product Description:

Electric Desk Riser with keyboard tray adjusts up and down with the push of a button. Height ranges from 5-1/4" to 17-1/8" off your worksurface. Medical-grade electric motor provides a quick-release, low-noise operation. Anti-collision function will stop the up/down motion if desk riser meets objects like coffee cups or bottles. The top surface (31-1/2" wide x 24-2/5") includes USB interface for convenient connection and holds monitors up to 33 lb. The 24-1/4" wide x 8-2/3" deep keyboard tray is large enough for a keyboard and mouse.
