About the Camp

Camp Philosophy
Slippery Rock’s Player Soccer Camp is open to high school soccer teams, and will take place from Aug 3 – 5, 2016. The camp is designed to totally immerse players in the game, giving them the kind of focused, intensive training we give our own college championship team. Players will receive valuable exposure in a competitive, yet enjoyable environment and will be assigned a head coach and counselor who will work exclusively with them throughout the camp. Small group tactics will be emphasized within the framework of game situations, allowing players to test themselves against strong competition. We promise you will leave camp with a renewed energy and improved self-confidence; all key factors for growth as a player. Plus, you’ll have fun doing it!

Goalkeeper Training
During the camp, goalkeepers will receive specific training relative to their experience level while focusing on the important technical and tactical aspects of their position. Goalkeepers will be pushed to reach their full potential in the technical and tactical sessions, all resulting in your

Jessica Griggs: SRU Head Women’s Soccer Coach
Jessica Griggs is entering her second season coaching women’s soccer at SRU. Griggs was previously the head coach at Division III Northland College in Ashland, Wisconsin where she led the team to an 11-9-1 overall record, finished fourth seed in the conference, third in overall record, and made the conference tournament. She also named 6 players to the All-Conference selection and one player on the All-Region team. Griggs is also familiar with the PSAC as the former assistant coach at Shippensburg University from 2010-2013. She helped Shippensburg to a 12-6-3 record in 2013 that included an appearance in the NCAA Division II playoffs, where the Raiders were ironically knocked out of the tournament by Slippery Rock on The Rock’s home field. Griggs' appointment at The Rock makes her the third head coach in the history of the program.

**All Slippery Rock University of Pennsylvania camp staff and volunteers have passed child abuse and criminal history background checks.**
