Revised 8-2016

Continued on page 2
DANCE THEORY AND PRACTICE: All BFA students must be enrolled in a minimum of one technique class a day each semester. Competency based assessment will be used to determine the synthesis of knowledge, physical and performance abilities (technique) and level of proficiency. The application and synthesis of practice and theory competencies are required for employment in the dance field. The rigor of the assessments developed by dance technique faculty allows the department to meet NASD standards in Performance. Students accepted into the BFA degree in Dance (Business) program at Slippery Rock University must demonstrate technical proficiency requirements as indicated below:

MODERN DANCE                  (LEVEL VI Proficiency Required)
BALLET or JAZZ                 (LEVEL IV Proficiency Required)

Please note: All BFA-Business students must reach at least a minimum of Level III in Ballet and Jazz, and a proficiency in either Ballet or Jazz at level IV.

*Demonstrated achievement of technical proficiency in dance technique courses will be determined by performance-based assessment of candidates for the BFA Degree in Dance from Slippery Rock University by dance technique faculty.

All BFA-Business Students are encouraged to take ECON 202 Principal of Microeconomics or ECON 201 Principles of Macroeconomics as Liberal Studies course; INDP 220 Intro to Non-Profit Leadership; BIOL 216 Anatomy & Physiology I/Lab.
