Dear Chancellor Greenstein:

At its December 9, 2022 quarterly business meeting, Slippery Rock Council of Trustees voted to recommend the following two names to move forward as continuing candidates for consideration as President of Slippery Rock University:

Dr. Chance Glenn

Dr. Karen Riley

These names were recommended by the Slippery Rock University Presidential Search Committee after completing a search that adhered to the Office of the Chancellor of the Pennsylvania's State System of Higher Education's *Procedures and Standards for University Operations: Procedure/Standard Number 2021-50, Process for Recommending Presidential Appointment* in order to ensure that the search process was open, transparent, and fully inclusive.

Attached are the dossiers of two candidates as well as a certified copy of the Council of Trustee minutes where this action was taken.

If you have any questions or need additional information, please advise. Otherwise, we would appreciate your forwarding our report to the Board of Governors for their consideration at their meeting on December 12, 2022, where we look forward to observing the interviews of the recommended candidates and participating in the Board's deliberations.

Sincerely,

Domenic Ionta, chair
