

Karen Riley, Ph.D.

PROFESSIONAL EXPERIENCE

Slippery Rock University **President**
2023- Present

Responsibilities

- Serves as the chief executive officer for the university.
- Works collaboratively with the President's Cabinet.
- Responsible for the development and implementation of the university's strategic plan.
- Represents the university to the Chancellor and Board of Governors of the PASSHE system.
- Responsible for collaborating with community leaders.
- Responsible for leading an organization in which all are valued.

Regis University **Provost and Chief Academic Officer**
2021- 2023

Responsibilities

- Provide overall academic vision and strategic direction to the University.
- Supervise the academic enterprise of the University which included over 70% of all University faculty and staff.
- Oversaw and mentored the Academic Deans, the Dean of the Library, Academic Grants Office, Vice Provost for Diversity, Equity and Inclusive Excellence, Associate Provost for Student Success, Records and Registration, Instructional Design & Technology, University Analytics and Research, and academic administrative support staff.
- Served as the chief advocate and leader for the University's academic mission.
- Advanced the University's Jesuit Catholic mission in curriculum, faculty development and other efforts.
- Implemented the long-range vision and strategic plan of the University for academic areas.
- Promoted diversity, equity and inclusion in teaching, research and service.
- Served as senior advisor to the President, integrated academic priorities into the long-range vision and strategic plan of the University.
- Established and oversaw University academic priorities for budgeting, resource projections and analysis in support of the academic mission and priorities and in collaboration with Financial Affairs.

Selected Accomplishments

- Launched a plan for the academic enterprise which focuses on excellence in teaching, advancing research, offering relevant programs and stackable credentials.
- Secured \$625k gift to launch first AJCU post-secondary program for individuals with Intellectual and Developmental Disabilities.
- Secured funding and launched Summer Bridge Program for first generation students.
- Developed Professional Development Program to launch in 2023.
- Created and implemented new communications approach and cadence to build trust and transparency.

- Reorganized, assessed, and transformed vendor partnerships and realigned admissions team to reverse trends and define new approaches to awarding University-funded financial aid.
- Initiated new approach to budget development that involved beginning the process sooner and building an entire budget rather than the previous segmented approach.
- Initiated programs to shift culture including but not limited to annual reviews for all direct reports, accountability, timelines for projects, finite termed work groups, and operational norms.
- Served as co-chair for the development of new university strategic plan. Led the SWOT analysis.
- Increased persistence by approximately 2%.
- Implemented a plan to move all courses to HLC compliant.
- Increased yield and selectivity in one year and stabilized undergraduate enrollment.
- Secured and launched partnership with Guild which has resulted in an immediate positive impact on graduate and non-traditional undergraduate enrollment generating \$870k in new revenue in the first semester.
- Initiated the Regis Teaching Excellence Network to enhance teaching practices across the university.
- Initiated partnerships with local and national organizations including OPMs, high schools, other universities and health care systems.
- Launched Project Revitalize, to review, revise and reimagine courses to increase relevancy and increase retention.

2021- 2023

Professor Regis College - Education

University of Denver (DU)

2014- 2021

Dean Morgridge College of Education

Responsibilities

- Led all operational aspects of the College including development and implementation of an operating budget of approximately \$34 million.
- Led personnel allocations, strategic planning and implementation, and enrollment management.
- Raised funds to support student scholarships, faculty research, college operations, and the development of new institutes.
- Led all academic aspects of the College, including faculty hiring, development, and promotion.
- Created an infrastructure to facilitate research and scholarship, and governance for all national accreditations and local authorizations.
- Created new programs to meet the needs of the community while building the capacity and financial strength and sustainability of the college.
- Oversaw two pre-collegiate schools; the Ricks Center a PS-8th grade school for children who are gifted and the Fisher Center which serves children birth to 5 years of age.

Selected Accomplishments

- Raised over \$27M in gifts and endowments and increased the donor base and alumni engagement. Met and exceeded all targets consistently.
- Increased scholarly productivity across the College by implementing incentive and mentorship plans. Sponsored research increased 104% with consistent and projected growth. Publications increased more than 156% in 6 years.
- Received initial CAEP, APA, MCAC accreditation, and reaccreditation through APA, NASP, ALA, and NAEYC.
- Conceptualized and launched DU's Center for Professional Development (CPD) to provide certificates and stackable credentials.
- Received Insight into Diversity HEED (Higher Education Excellence in Diversity) award in 2018 and 2020 and honorable mention in 2017.

- Added two fully funded and self-sustaining institutes to the College; Positive Early Learning Experiences (PELE) and the Center for Rural Schools Health and Education (CRSHE).
- Created a partnership with Project ECHO to become the third non-medical ECHO in the world.
- Added 2 traditional degree programs, 6 additional certificate programs, and 2 online degree programs through a partnership with 2U.
- Improved national ranking more than 50 places within USNWR and now have two separate programs ranked within the top 25 in their respective areas, and a third in the top 40.
- Increased overall size and operational budget of the College, including increasing the number of students, faculty, and staff.
- Increased financial health of the unit with an increased contribution margin to the University.
- Invested in future and strategic initiatives while ensuring the long-term health of the unit.
- Created partnerships with local school districts, local industries, NGO's and an innovative partnership with community colleges. Initiated international partnerships.

2019- 2021

Strategic Director for Health Initiatives

Responsibilities

- Developed the narrative and vision for health initiatives for the entire university.
- Created new and exciting corporate and traditional program innovations at the undergraduate or graduate level.
- Developed partnerships within the health industry.
- Worked to gain broad committed support from the deans as well as key faculty stakeholders to ensure the sustainability of DU's health initiative.
- Supervised the Knoebel Institute for Healthy Aging.

Selected Accomplishments

- Created two new degree programs, undergraduate and graduate, a clinic, and a lab in Integrative Human Physiology.
- Created integrated interdisciplinary grand rounds for all behavioral health clinics across the campus.
- Chaired the Contact Tracing committee for the Health Care Working Group to respond to COVID19.
- Served on the liaison and coordinating committee in partnership with National Jewish Health.
- Created an MOU with a local hospital.

2017- 2021

Professor Teaching and Learning Sciences Department

2013- 2014

Interim Dean

2011- 2013

Department Chair Educational Research Policy and Practice

- Led the largest department within the college
- Served as chair while retaining faculty line in a different department

2010- 2017

Associate Professor, Child, Family and School Psychology Program

2011- 2012

Faculty Co-Director Fisher Early Learning Center

2010- 2011

Faculty Director Fisher Early Learning Center

- Raised more than \$1.5 million in scholarships and grants
- Created and implemented a budget that moved the center from operating in a deficit to consistently operating at a net positive.

2004- 2010

Assistant Professor, Child, Family and School Psychology Program

2001- 2004

Project Coordinator

University of Colorado Health Sciences Center – The Children’s Hospital

2000- 2001 **Coordinator, Fragile X Treatment and Research Center Child Development Unit**

- Coordinated services for families, coordinated grant functions and was responsible for implementation of an SSI project.

1998- 2000 **FRAXA Postdoctoral Fellow**

- Conducted research focused on outcome measures and effectiveness of psychopharmacology
- Served as a member of the evaluation and intervention team

1995- 1996 **Interdisciplinary Leadership Pre-Doctoral Fellow - JFK Partners UAP**

- Led the Kids In Need Clinic for children prenatally exposed to drugs and alcohol.
- Established a parent support group and a community coalition.

Adams County School District 12

1986- 1997 **Early Childhood Specialist & Early Childhood Special Education Coordinator.**

EDUCATION

Ph.D. Educational Psychology
University of Denver, Denver, CO

M.A. Early Childhood Special Education
University of Denver, Denver, CO

B.S. Psychology
Colorado State University, Ft. Collins, CO

LEADERSHIP TRAINING

2023	ASSCU New Presidents’ Academy
2021	AJCU Leadership Institute
2019	Association of Governing Boards (AGB) Institute for Leadership & Governance
2013	ACE Leadership Academy for Senior Leaders
1999	LEND Leadership Training

SERVICE & COMMUNITY ENGAGEMENT

National Leadership Roles

2015- Present	CDC Outcome Measures Advisory Committee
2014- Present	Chair - Centers for Disease Control FORWARD Project Educational Data Group
2014- Present	National Fragile X Syndrome Clinical and Research Consortium
2010- Present	National Fragile X Clinical and Scientific Advisory Council
2019- 2021	Secretary- Executive Board CADREI (Council of Academic Deans from Research Education Institutions)

National Committee Service

2015- Present National Fragile X Clinical and Scientific Advisory Council Conference Committee
2014- Present Global Down Syndrome Adults with Down Syndrome Task Force
2008- Present Fragile X Clinic Consortium- Assessment Committee and Clinical Practices Committee
2012- 2014 National Fragile X Foundation Scientific and Clinical Advisory Committee Ad Hoc Research Task Force

Local Leadership and Service

State Level Professional Service

2017- Present Mayor's Task Force School Finance
2016- 2021 Colorado's Multi-Tiered System of Supports IHE Advisory Panel
2018- 2021 Denver Museum of Nature and Science Institute for Science & Policy - Advisory Team
2017- 2018 Denver Museum of Nature and Science Sticky Issues Task Force
2015- 2018 Co-Chair Colorado Council of Deans of Education
2015- 2021 Colorado Department of Education Educator Preparation Program Advisory Committee
2015- 2021 Colorado Education Preparation Innovation Coalition
2015- 2021 Colorado Education Initiative
2015- 2021 Representative, Colorado Women's Chamber of Commerce
2013- 2021 Denver Mayor's Education Compact
1997-1998 Leader/Developer, Colorado Parent Support Group, Children Prenatally Exposed to Drugs and Alcohol
1988-1990 Board Member, Colorado Division of Early Childhood

Advisory Boards

2021- Present CU Denver Leadership for Educational Equity - Higher Education - Advisory Committee
2017- Present Colorado Center for Rural Education
2012- 2014 The Joshua School
2012- 2014 Novartis Pharmaceuticals-Fragile X Syndrome Projects Advisory Board

Journal Reviewer

2019 Journal of Teacher Education
2016 Journal of Pediatric Neurology
2014 Journal of Pediatric Genetics
2011 Brain and Cognition
2009- 2010 The American Journal on Intellectual and Developmental Disabilities
2008- 2009 Journal of Mental Retardation
2008 Journal of Educational Psychology
2005- 2008 Journal of Teacher Education

Grant Reviewer

2019 American Institute of Biological Sciences (AIBS) - New Jersey Autism Council Research Grants
2014 National Institute of Health (NIH)
2012- 2013 Mile-High United Way
2012 The American Institute of Biological Sciences (AIBS) [US Army Medical Research and Materiel Command (USAMRMC)]

University of Denver Service

2020- 2021 Executive team COVID response liaison with National Jewish Hospital
2020- 2021 COVID Deep Dive Team
2020- 2021 Scenario and Financial Solutions Task Force
2020- 2020 Chair Contract Tracing Team
2020- 2020 Health Care Group

2019- 2021	eRA Steering Committee
2018- 2019	Search Committee Chief Financial Officer and Treasurer
2018- 2019	Search Committee Head Coach Hockey
2017- 2018	Task force Tuition Flow and Financial Aid
2016- 2017	Committee to review John Evans Scholar Award
2014- 2021	Supervisory Dean for the Center of Professional Development
2016- 2021	Impact 2025 Strategic Plan Implementation Team for DU Cares <i>Committee Member</i>
2016- 2021	Impact 2025 Strategic Plan Implementation Team for Center for Professional Development <i>Leader</i>
2015- 2016	Impact 2025 Strategic Plan Implementation Team for Research Institute for Social Policy <i>Leader</i>
2015- 2016	Staff Compensation Task Force <i>Member</i>
2015- 2016	Search Committee for Dean of the University Libraries <i>Search Chair</i>
2014- 2015	Chancellor's Inauguration <i>Committee Member</i>
2013- 2014	Search Committee for Dean of Engineering <i>Committee Member</i>
2010- 2011	Provost's Strategic Planning Committee on Hiring Development and Retirement <i>Committee Member</i>
2009-2012	Graduate School Graduation Marshall
2009-2012	Faculty Senate

Morgridge College of Education Service

2013- 2021	Grant Flowback Committee <i>Member</i>
2011- 2012	Early Childhood Kennedy Endowed Chair <i>Search Committee Chair</i>
2010- 2011	Early Childhood Task Force <i>Co-Chair</i>
2009- 2010	Research and Grant Mentoring Committee <i>Member</i>
2008- 2009	Appointment, Promotion and Tenure <i>Committee Member</i>
2008- 2009	Search committee for the Associate Director of the Marsico Institute <i>Search Committee Member</i>
2007- 2008	Search Committee for the Early Literacy Faculty/University Reading Recovery Trainer <i>Search Committee Chair</i>
2006- 2010	Highline Academy/DU collaborative steering committee <i>Member</i>
2005- 2006	Search committee Director of Fisher Early Learning Center <i>Committee Member</i>
2004- 2010	Community Engagement Committee <i>Member</i>

GRANTS

Received and Administered Research Grants (\$5,875,254 funds directly to DU/Regis)

2020- 2025	National Institute of Health: <i>NIH Toolbox Cognitive Battery (NIHTB-CB) Outcome Measures in IDD</i> . \$2,499,996 (\$588,692 for DU) Co- PI (with Drs. David Hessel, University of California Davis MIND Institute and Elizabeth Berry-Kravis, Rush University)
2019- Present	The Daniels Fund: <i>CO ECE CO-OP: Micro-credentialing Initiative for Early Childhood Educators</i> \$25,000 (Co-PI with Dr. Rebecca Kantor, University Colorado Denver)
2018- Present	The Daniels Fund: <i>CO ECE CO-OP: Micro-credentialing Initiative for Early Childhood Educators</i> \$100,000 (Co-PI with Dr. Rebecca Kantor, University Colorado Denver)
2017- Present	Institute of Education Sciences: <i>Quality counts: building capacity to research quality in Colorado's residency preparation programs</i> . \$400,000 (Co-PI with Dr. Rebecca Kantor, University of Colorado Denver)
2015- 2017	Global Down Syndrome Foundation: <i>Adult Educational Programming: An exploration of courses designed to meet the unique needs of individuals with Down syndrome</i> \$136,847 PI (with Co-PI Dr. Deborah Fiddler, Colorado State University)

- 2014- 2019 National Institute of Health: *Outcome Measure for Use in Treatment Trials for Individuals with Intellectual and Developmental Disabilities* **\$2,499,996 (\$588,692 for DU)** Co- PI (with Drs. David Hessel, University of California Davis MIND Institute and Elizabeth Berry-Kravis, Rush University)
- 2013 Piton Foundation: *Z Place & Jamaica Street Evaluation Planning Project* **\$17,170** PI
- 2012 Bill and Melinda Gates Foundation: *Progressions of Teacher Proficiency* **\$314,998** PI (with Co-PIs Dr. Kent Seidel and Lyndsay Agans, University of Denver)
- 2012- 2014 Novartis Pharmaceuticals: *An Evaluation of the Efficacy of AFQ056 in disease reversal cognitive improvement in FXS.* **\$4,000,000 (\$394,000 for DU)** PI
- 2012 Novartis Pharmaceutical: *An open-label study to evaluate the long-term safety, tolerability and efficacy of AFQ056 in adult patients with Fragile X Syndrome –literacy effectiveness* **\$192,000** (based on per subject costs). (Co-PI with Drs. Randi Hagerman, University of California Davis MIND Institute and Elizabeth Barry-Kravis, Rush University).
- 2011 The Bill and Melinda Gates Foundation *Learning Ecosystem Planning Grant* **\$281, 261** PI (with Co-PIs Dr. Kent Seidel and Lyndsay Agans from the University of Denver)
- 2011 Defense Advanced Research Projects Agency: *OurSpace* **\$3,000,000 (\$60,000 for DU).** PI (with Co-PI Lyndsay Agans of the University of Denver)
- 2010 Morgridge Family Foundation: *Mind Research Institute Math Program: Colorado Pilot* **\$32,856** PI
- 2009 Anna and John Sie Foundation: *Inclusion in Stanley British Primary School: A Single Subject Report* **\$10,000** PI
- 2009 Family Star Head Start *Montessori and Head Start,* **\$6,000** PI
- 2009 Colorado Department of Education *The Effectiveness of Positive Behavioral Supports* **\$8,000** PI
- 2008 Colorado Department of Education Memorandum of Understanding *Colorado Department of Education and Morgridge College of Education Field Research Program* **\$24,990** PI
- 2008 Rocky Mountain Down Syndrome Foundation *Analysis of Two Early Language and Literacy Programs for Young Children with Down syndrome – a Pilot Study* **\$122,136** PI (with Co-PI Dr. Gloria Miller, University of Denver)
- 2003- 2009 Office of Special Education Personnel Prep *Project InSPECT: Integrated School Psychology Early Childhood Training* **\$1,250,000** Co-Investigator (with PIs Drs. Gloria Miller, University of Denver and Michelle Athanasiou, University of Northern Colorado)
- 2002 State Sliver Grants Colorado Department of Education, *Project PLAY* **\$67,022** Co-Investigator (with PI Dr. Toni Linder, University of Denver)
- 2001 Office of Special Education *L.I.N.C. The Enhancing Social-Emotional Development Through Support Practices Project*, **(\$540,000 –3 years).** Co-Investigator (with Co-PIs Drs. Toni Linder and Lorraine Kubicek)

Received and Administered Non-Research Grants (\$403,985)

- 2018 American Association of Colleges for Teacher Education: *AACTE 2018-19 State Chapter Grant Recipient.* **\$10,000**
- 2015 Morgridge Family Foundation: *Morgridge Fellows Program.* **\$202,095**
- 2011 The Daniels Fund *Programs to Serve Children with Special Needs at the Fisher Early Learning Center* **\$50,000**
- 2010 Morgridge Family Foundation *Synaptic Mash* **\$99,900**
- 2007 Colorado Department of Education Memorandum of Understanding *Morgridge College of Education Field Research Program* **\$24,990**
- 2004- 2005 Colorado Department of Education, Early Childhood Preparation Grants *Ounce Scale Implementation Training* **\$2000 and training materials** Co-investigator (with Drs. Gloria Miller, University of Denver and Michelle Athanasiou, University of Northern Colorado)
- 2002 Denver Foundation *Project PLAY* **\$10,000** Co-Investigator (with Dr. Toni Linder, University of Denver)

2000 Schramm Foundation: *Community Education Project* **\$5,000** Co-author (with Drs. Jennifer Hills and Randi J. Hagerman)

Grants as administrative PI (\$440,058)

2009 Buell Foundation: *EQIT Evaluation* **\$398,058** PI (Dr. Amanda Moreno authored and implemented the project.)

This was a research project to evaluate an early intervention approach.

2009 Colorado Department of Human Services: *ECCIC Redesign* **\$37,000** PI (Dr. Sheridan Green authored and implemented the project.)

2009 Colorado Humanities: *Writers in the School Evaluation* **\$5,000**
